## Strategy 1

If we do...	continue to develop and support robust year-round professional development created and led by teacher leaders, administration, and network supports with a focus on instruction (3b and 3c) and student educational needs based on data from teacher PD survey and standardized assessments data.
Then we see...	increased fidelity in aligning instruction to CCSS, NGSS, PSAT/SAT Skills, authentic implementation of high and low questioning techniques, and student-centered teaching and learning in all classes.
which leads to...	improved mastery of CCSS, NGSS, and PSAT/SAT skills, improves scores on standardized assessments, and increase in core pass rates, higher GPA average, increased enrollment of males overall and AA females in college-level courses, increased EL and DL attainment and growth, and improved teacher instruction in domain 3.
Budget Description	Selected staff 2-3 hours in the summer to create PDs for the initial week of the school year. 1-2 outside entities to present PD during the school year. Funding: Local, Budget Category: PD, Materials (instr. and software), conferences.

## **ESSA Targeted Assistance Program**

---

### **Parent Involvement and Schoolwide Programs**

I verify that the statement below is correct

Every Student Succeeds Act (ESSA), the reauthorization of the Elementary and Secondary Act of 1965 continues a legislative commitment to parental involvement. Central features of prior reauthorizations, such as school-parent compacts, parent involvement policies, and the parent involvement funding formula remain unaltered. However, the ESSA reauthorization represents a notable shift in the role of parental involvement in the schools. It includes new provisions increasing parental notification requirements, parental selection of educational options, and parental involvement in governance. It envisions parents as informed and empowered decision makers in their children's education.
