

CIWP Team & Schedules

Resources

Indicators of Quality CIWP: CIWP Team

The CIWP team includes staff reflecting the diversity of student demographics and school programs.

The CIWP team has 8-12 members. Sound rationale is provided if team size is smaller or larger.

The CIWP team includes leaders who are responsible for implementing Foundations, those with institutional memory and those most impacted.

The CIWP team includes parents, community members, and LSC members.

All CIWP team members are meaningfully involved in the planning process for CIWP components and include other stakeholders, as appropriate for their role, with involvement along the [CPS Spectrum of Inclusive Partnerships](#) (from the CPS Equity Framework).

Quarter 4	May 21, 2024

Indicators of a Quality CIWP: Reflection on Foundations

Schools reflect by triangulating various data sources, inclusive of quantitative and qualitative data, and disaggregated by student groups.
 Reflections can be supported by available and relevant evidence and accurately represent the school's implementation of practices.
 Stakeholders are consulted for the Reflection of Foundations.
 Schools consider the impact of current ongoing efforts in the Reflection on Foundation.

[Partnerships & Engagement](#)

What student-centered problems have surfaced during this reflection?

If this Foundation is later chosen as a priority, these are problems the school may address in this CIWP.

- 1. Lack of evidence in Branching Minds to support the next level for students to be discussed as a BHT referral and further recommended for an IEP
- 2. Data collection is weak on various students who teachers feel should be staffed

[Return to Top](#)

Connectedness & Wellbeing

Using the associated references, is this practice consistently implemented?

References

What are the takeaways after the review of metrics?

Metrics

Partially

Universal teaming structures are in place to support student connectedness and wellbeing, including a Behavioral Health Team and Climate and Culture Team.

[BHT Key Component Assessment](#)

[SEL Teaming Structure](#)

- 1. School lacks a functional BHT Team, Curtis lost 2nd counselor during open transfer and lost Case manager sometime after.
- 2. BHT needs BHT "look-fors"
- 3. Curtis is a high-needs school with students who have behavior problems, however, the teachers need to be trained on PBIS and implement structures and systems with fidelity.
- 4. Teachers need to know that PBIS is a school-wide concern and should not be handled in isolation.
- 5. Teachers were not implementing with fidelity nor is a true buy-in into SEL Second Step, Calm Classroom and classroom management plans.
- 6. Teacher looks for counselors, school admin and security officers to band-aid students' behavior issues.

[% of Students receiving Tier 2/3 interventions meeting targets](#)

[Reduction in repeated disruptive behaviors \(4-6 SCC\)](#)

[Access to OST](#)

[Increase Average Daily Attendance](#)

[Increased Attendance for Chronically Absent Students](#)

Partially

Student experience Tier 1 Healing Centered supports, including SEL curricula, Skyline integrated SEL instruction, and restorative practices.

Partially

All students have equitable access to student-centered enrichment and out-of-school-time programs that effectively complement and supplement student learning during the school day and are responsive to other student interests and needs.

Partially

Students with extended absences or chronic absenteeism re-enter school with an intentional re-entry plan that facilitates attendance and continued enrollment.

What student-centered problems have surfaced during this reflection?

If this Foundation is later chosen as a priority, these are problems the school may address in this CIWP.

- 1. Primary grade students as well as grades 3-8 students need to be SASSed or referred to the MTSS, BHT and IEP referral process. 📌
- 2. Lack of school-wide responses to student behavior concerns.
- 3. Students are dealing with identity issues as we prepare to support our scholars who facing identity challenges. The counselors are taking the lead on this work and finalizing the CPS initiative Engage Straight Alliance.
- 4. B.A.M. partnership was suspended in November until the managers found a good fit for the school. Curtis has secured a B.A.M. counselor and he is planning with counselors and school admin.

What is the feedback from your stakeholders?

- 1. Counselors state that the teachers are not implementing SEL practices with fidelity or at all. 📌
- 2. Teachers feel that supporting their most challenged students is by suspending students and/or removing them from their classroom.
- 3. Teachers are not following the protocol for BHT and MTSS.

What, if any, related improvement efforts are in progress? What is the impact? Do any of your efforts address barriers/obstacles for our student groups furthest from opportunity?

- 1. School adopted for SY24 PBIS app so that all teachers will have onus of documenting student positive and challenged behavior. School will be able to collect real-time data to support MTSS and BHT. 📌
- 2. For extrinsic and intrinsic student motivation, school will open a Positive Behavior Store to reward students for their behavior throughout the day and week.
- 3. Teachers will receive Professional Development with the expectation of implementing Second Step, it's daily Read Alouds/Curriculum, and Calm Classroom with fidelity.
- 4. BHT will be included in Rigor Walks and have their own walks to collect data on SEL curriculum being implemented.

[Reconnected by 20th Day, Reconnected after 8 out of 10 days absent](#)

Freshmen Connection Programs Offered (School Level Data)

What, if any, related improvement efforts are in progress? What is the impact? Do any of your efforts address barriers/obstacles for our student groups furthest from opportunity?

1. Counselors will dive into the workbased learning kit and begin to plan out over the school year. 

What student-centered problems have surfaced during this reflection?

If this Foundation is later chosen as a priority, these are problems the school may address in this CIWP.

The problems that the school is addressing in the CIWP are students performing below the 50th%ile in Reading and Math on STAR 360. Students are not able to meet or exceed the Reading and Math summative assessment, IAR. K-2 students entering the next grade not performing at grade level per the i-Ready data. Students' attendance is collectively at 87%. Students' behavior may lean towards out of school suspension. Teachers are not equipped to target K-8 students' behavior that may lead to students being isolated in the classroom or put out of the classroom. Students are not equipped with coping mechanism to deal with their conflict as well as the teachers not being equipped to deal with students' conflict when they are arise. Whole staff needs SEL training for students. Students need wrap around services to support various trauma, identity, and conflict resolutions. 

	Using the associated references, is this practice consistently implemented?	References	What are the takeaways after the review of metrics?	Metrics
Partially	<p>The school proactively fosters relationships with families, school committees, and community members. Family and community assets are leveraged and help students and families own and contribute to the school's goals.</p>	<p>Spectrum of Inclusive Partnerships</p>	<p>What are the takeaways after the review of metrics?</p> <ol style="list-style-type: none"> Partnership and Engagement is an area of growth, i.e., Salem Baptist Church, Kingdom Covenant Church, Phalanx and Kids off the Block are just a few organizations that are reaching out to Curtis to support staff and scholars.  Through emails, phone conversations and school visits we have been successful with all with the exception of Kids Off the Block. We have responded to their invitation. But we will follow up with Kids Off the Block for OST. Counselors ensure that Student Council is active and supports the scholars with their voice being heard Determine pathways to reach the community and families, such as newsletters to parents and community about the life of the school 	<p>Cultivate</p> <p>5 Essentials Parent Participation Rate</p> <p>5E: Involved Families</p> <p>5E: Supportive Environment</p> <p>Level of parent/community group engagement (LSC, PAC, BAC, PTA, etc.) (School Level Data)</p> <p>Level of parent engagement in the ODLSS Family Advisory Board (School Level Data)</p>

Kids off the Block requested that they would provide "wrap around services" for our scholars and families, however, contact emails are bouncing back - may need new contact information. Phalanx does more drop bys then intentional visits to discuss and plan. Phalanx needs to plan with the school then be reactive. Phalanx stepped up for families who were victims of a fire 	<p>Formal and informal family and community feedback received locally. (School Level Data)</p>

What student-centered problems have surfaced during this reflection?

If this Foundation is later chosen as a priority, these are problems the school may address in this CIWP.

- 1. Strengthening two-way communication

and provided monetary support and housing for a family.
 5. Counselors have support from external partners who TRIO for middle schools students.

What, if any, related improvement efforts are in progress? What is the impact? Do any of your efforts address barriers/obstacles for our student groups furthest from opportunity?

- 1. Focus on strengthening communication skills, however, partnerships may feel that school leaders are available - establish a cadence of check-ins with partnerships.
- 2. Salem Baptist Church provided italian icees to the scholars and teachers on June 5th.
- 3. Salem Baptist Church will provide breakfast to staff on August 14th
- 4. Backpacks with essentials including toiletries will be provided to students and supplies for teachers on August 14th
- 5. Kingdom ministry is seeking ways that they can support Curtis School

Reflection on Foundation

Using the associated documents, is this practice consistently implemented?

Yes	All teachers, PK-12, have access to high quality curricular materials, including foundational skills materials, that are standards-aligned and culturally responsive.
Partially	Students experience grade-level, standards-aligned instruction.
No	Schools and classrooms are focused on the Inner Core (identity, community, and relationships) and leverage research-based, culturally responsive powerful practices to ensure the learning environment meets the conditions that are needed for students to learn.
Partially	The ILT leads instructional improvement through distributed leadership.
No	School teams implement balanced assessment systems that measure the depth and breadth of student learning in relation to grade-level standards, provide actionable evidence to inform decision-making, and monitor progress towards end of year goals.
Partially	Evidence-based assessment for learning practices are enacted daily in every classroom.

What are the takeaways after the review of metrics?

After reviewing the metrics the takeaways are:

1. K-2 teachers need an ELA curriculum that they buy into and supports structures and systems that promotes foundational skills, i.e., decodable books and the CCSS
2. K-8 teachers need professional development on Eureka Math and pacing on its instruction
3. K-2 teachers need an ELA resources that tap into Sight Word Development and Phonemic Awareness, i.e., Sight Word Development and Heggerty
4. 3-8 ELA teachers need professional development on Expeditionary Learning and how to use the curriculum with fidelity and embeds SEL.
5. Grades 3-8 teachers need support with the STAR 360 Linking Study to IAR.
6. 5 Essential Survey

DATA: (see below)

STAR Longitudinal Data: Reading

STAR Longitudinal Data: Math

STAR Longitudinal Data to IAR: Math

What is the feedback from your stakeholders?

1. Teachers may not know what high-quality instruction looks like.
2. Teachers have not learned, seen, or practiced high-quality instruction.

What student-centered problems have surfaced during this reflection?

1. Lack of student engagement and motivation to complete classwork and homework.

What, if any, related improvement efforts are in progress? What is the impact? Do any of our efforts address barriers/obstacles for our student groups furthest from opportunity?

Related improvement efforts that are in progress:

1. Use of IL Empowerment funds to provide professional development on various topics before Week 0
2. Opened the opportunity for teachers to receive professional development 7/17 and 7/18 with Brown Academy - this move was intentional and aligned to the 5 Essentials where the school was rated Weak on (a) high quality instruction, and (b) teacher collaboration.

[Return to Top](#) **Determine Priorities**

Resources:

What is the Student-Centered Problem that your school will address in this Priority?

[Determine Priorities Protocol](#)

Students...

The evidence suggests that majority of Curtis students are performing <20th%ile in Reading and Math. The qualitative evidence suggest that students are not exposed to small group instruction,i.e., students are not growing at an intentional path. The qualitative evidence from the LSI walks suggest that students are not exposed to opportunities to engage in academic discourse.

Indicators of a Quality CIWP: Determine Priorities
 Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core.
 Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative).
 For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation.
 Priorities are determined by impact on students' daily experiences.

[Return to Top](#) **Root Cause**

Resources:

What is the Root Cause of the identified Student-Centered Problem?

[5 Why's Root Cause Protocol](#)

As adults in the building, we...

do not consistently utilize with fidelity the current adopted curriculum, Eureka Math and Expeditionary Learning. Because the curriculum was more mandated because the school was an AUSL school teachers were "told" to use the curriculum. There doesn't appear to be a cadence of professional learning on both curricular. Teachers are teaching their own version of social science and science without intentionally teaching to and or for the standards. Whole group instruction is more of the school-wide practice, Tier 1 instruction. Small group, Tier 2 instruction is not implemented with fidelity in all grades. Intentional teacher-facilitated small group instruction with a school wide goal with school wide tenets. The aforementioned concerns leads to lack of student engagement. What the school does well is facilitating some form of reading or math.

Indicators of a Quality CIWP: Root Cause Analysis
 Each root cause analysis engages students, teachers, and other stakeholders closest to each priority, if they are not already represented by members of the CIWP team.
 The root cause is based on evidence found when examining the student-centered problem.
 Root causes are specific statements about adult practice.
 Root causes are within the school's control.

[Return to Top](#) **Theory of Action**

What is your Theory of Action?

Resources:

If we....

align modules of instruction for each content discipline (horizontally/vertically) to scope and sequence maps and pace the modules and lessons appropriately AND expose and extend opportunities for all students to grade appropriate levels of text complexity in all types of texts, including informational in all content disciplines,

then we see....

teachers examining formative data to determine mastery and pace and teachers delivering focused lessons from modules with primary CCSS that will be measured to ensure students are prepared for the end of the year summative assessments

which leads to...

moving the 5-Essential data from very weak ambitious instruction, effective leaders and collaborative teachers to well-organized, (2) teachers adhering to a comprehensive unit of study and including assessments, (3) teachers' REACH performance at proficient or distinguish in 3a (communicating with students), 3c (engaging students in learning), 1a (demonstrating knowledge of content pedagogy), and 1d (designing coherent instruction) and (4) 100% of 3-8 students performing at the 50th%ile or better on both IAR for reading and math and 100% of K-2 students performing at the 50th%ile or better on both i-Ready for Reading and Math.

Indicators of a Quality CIWP: Theory of Action

Theory of Action is grounded in research or evidence based practices.

Theory of Action is an impactful strategy that counters the associated root cause.

Theories of action explicitly aim to improve the experiences of student groups, identified in the Goals section, in order to achieve the goals for selected metrics.

Theory of Action is written as an "If we... (x, y, and/or z strategy), then we see... (desired staff/student practices), which results in... (goals)"

All major resources necessary for implementation (people, time, money, materials) are considered to write a feasible Theory of Action.

[Return to Top](#) **Implementation Plan**

Resources:

Indicators of a Quality CIWP: Implementation Planning

Implementation Plan Milestones, collectively, are comprehensive to implementing their respective Theories of Action and are written as SMART goals. The number of milestones and action steps per milestone should be impactful and feasible.

Implementation Plan identifies team/person responsible for implementation management, monitoring frequency, scheduled progress checks with CIWP Team, and data used to report progress of implementation.

Implementation Plan development engages the stakeholders closest to the priority, even if they are not already represented by members of the CIWP team.

Action steps reflect a comprehensive set of specific actions which are relevant to the strategy for at least 1 year out.

Action steps are inclusive of stakeholder groups and priority student groups.

Action steps have relevant owners identified and achievable timelines.

Team/Individual Responsible for Implementation Plan

Principal Boyd, AP Haynes, Mrs. Garner, Ms. Adams, Ms. Tankersley, Ms. Smoke and Ms. Charles

Moving the 5-Essential data from very weak ambitious instruction, effective leaders and collaborative teachers to organized, (2) teachers adhering to a comprehensive unit of study and including assessments, (3) teachers' REACH performance at proficient or distinguish in 3a (communicating with students), 3c (engaging students in learning), 1a (demonstrating knowledge of content pedagogy), and 1d (designing coherent instruction) and (4) 100% of 3-8 students performing at the 50th%ile or better on both IAR for reading and math and 100% of K-2 students performing at the 50th%ile or better on both i-Ready for Reading and Math.
- SY26 Anticipated Milestones**

Moving the 5-Essential data from very weak ambitious instruction, effective leaders and collaborative teachers to well-organized, (2) teachers adhering to a comprehensive unit of study and including assessments, (3) teachers' REACH performance at proficient or distinguish in 3a (communicating with students), 3c (engaging students in learning), 1a (demonstrating knowledge of content pedagogy), and 1d (designing coherent instruction) and (4) 100% of 3-8 students performing at the 70th%ile or better on both IAR for reading and math and 100% of K-2 students performing at the 70th%ile or better on both i-Ready for Reading and Math.

[Return to Top](#) **Goal Setting**

Indicators of a Quality CIWP: Goal Setting

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

Goals seek to address priorities and opportunity gaps by embracing the principles of [Targeted Universalism](#).

There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

Resources:

[IL-EMPOWER Goal Requirements](#)

For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:

- The CIWP includes a reading Performance goal
- The CIWP includes a math Performance goal
- The goals within the reading, math, and any other IL-EMPOWER goals include numerical targets
- Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

Performance Goals

Specify the Goal	Can this metric be frequently monitored?	Metric	Student Groups (Select 1-2)	Baseline	Numerical Targets [Optional]

Reflection on Foundation

Using the associated documents, is this practice consistently implemented?

Partially	Universal teaming structures are in place to support student connectedness and wellbeing, including a Behavioral Health Team and Climate and Culture Team.
Partially	Student experience Tier 1 Healing Centered supports, including SEL curricula, Skyline integrated SEL instruction, and restorative practices.
Partially	All students have equitable access to student-centered enrichment and out-of-school-time programs that effectively complement and supplement student learning during the school day and are responsive to other student interests and needs.
Partially	Students with extended absences or chronic absenteeism re-enter school with an intentional re-entry plan that facilitates attendance and continued enrollment.

What are the takeaways after the review of metrics?

1. School lacks a functional BHT Team, Curtis lost 2nd counselor during open transfer and lost Case manager sometime after.
2. BHT needs BHT "look-fors"
3. Curtis is a high-needs school with students who have behavior problems, however, the teachers need to be trained on PBIS and implement structures and systems with fidelity.
4. Teachers need to know that PBIS is a school-wide concern and should not be handled in isolation.
5. Teachers were not implementing with fidelity nor is a true buy-in into SEL Second Step, Calm Classroom and classroom management plans.
6. Teacher looks for counselors, school admin and security officers to band-aid students' behavior issues.

What is the feedback from your stakeholders?

1. Counselors state that the teachers are not implementing SEL practices with fidelity or at all.
2. Teachers feel that supporting their most challenged students is by suspending students and/or removing them from their classroom.
3. Teachers are not following the protocol for BHT and MTSS.

What student-centered problems have surfaced during this reflection?

1. Primary grade students as well as grades 3-8 students need to be SASSed or referred to the MTSS, BHT and IEP referral process.
2. Lack of school-wide responses to student behavior concerns.
3. Students are dealing with identity issues as we prepare to support our scholars who facing identity challenges. The counselors are taking the lead on this work and finalizing the CPS initiative Engage Straight Alliance.
4. B.A.M. partnership was suspended in November until the managers found a good fit for the school. Curtis has secured a B.A.M. counselor and he is planning with

What, if any, related improvement efforts are in progress? What is the impact? Do any of our efforts address barriers/obstacles for our student groups furthest from opportunity?

1. School adopted for SY24 PBIS app so that all teachers will have onus of documenting student positive and challenged behavior. School will be able to collect real-time data to support MTSS and BHT.
2. For extrinsic and intrinsic student motivation, school will open a Positive Behavior Store to reward students for their behavior throughout the day and week.
3. Teachers will receive Professional Development with the expectation of implementing Second Step, it's daily Read Alouds/Curriculum, and Calm Classroom with fidelity.
4. BHT will be included in Rigor Walks and have their own walks to collect data on SEL curriculum being implemented with fidelity.

counselors and school admin.

5. Teachers will know SY24 that SEL is part of their daily planning and part of their professional responsibilities.
6. Week 0 is set aside with daily SEL PD to prepare for SY24.
7. Planning SY24 with counselors and B.A.M. counselor

[Return to Top](#)

Determine Priorities

Resources: 

What is the Student-Centered Problem that your school will address in this Priority?

[Determine Priorities Protocol](#)

Students...

who come to school with trauma from their personal lives. Students who come to school and complain about being bullied. Students who are being reported as the bullier/antagonist in the classroom. Students who are reported with discipline concerns and teachers who do not know how to respond to the behavior. Students who are chronically absent or tardy for no just cause besides "I didn't want to come to school."

Indicators of a Quality CIWP: Determine Priorities

- Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core.
- Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative).
- For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation.
- Priorities are determined by impact on students' daily experiences.

[Return to Top](#)

Root Cause

Resources: 

What is the Root Cause of the identified Student-Centered Problem?

[5 Why's Root Cause Protocol](#)

As adults in the building, we...

do not know how to address our students' various forms of trauma. We may be wrapped up in our social emotional issues or concerns that we do not want to deal with the students because we just want to teach. We think that discipline is a principal or assistant principal or dean or security officer's concern and not addressing it as a school-wide concern. We do not speak the same language across the school when it comes to discipline. We may or may not believe in the social emotional curriculum that the District has adopted. The curriculum isn't being utilized with fidelity because adults may not have bought into SEL. Adults may not believe that SEL is connected to student engagement and student voice. Adults may not be aware of their power that they have by demonstrating kindness and caring to students as well as their colleagues.

Indicators of a Quality CIWP: Root Cause Analysis

- Each root cause analysis engages students, teachers, and other stakeholders closest to each priority, if they are not already represented by members of the CIWP team.
- The root cause is based on evidence found when examining the student-centered problem.
- Root causes are specific statements about adult practice.
- Root causes are within the school's control.

[Return to Top](#)

Theory of Action

What is your Theory of Action?

Resources:

If we...

implement a system of wrap-around supports of academic and social emotional (SEL) supports for all students

Indicators of a Quality CIWP: Theory of Action

Theory of Action is grounded in research or evidence based practices.

Theory of Action is an impactful strategy that counters the associated root cause.

Theories of action explicitly aim to improve the experiences of student groups, identified in the Goals section, in order to achieve the goals for selected metrics.

then we see...

daily in all classrooms teachers provide universal instruction in the core curriculum - academic & SEL (Tier 1) to all students along with additional targeted academic and SEL supports (Tier 2) where needed and intense supports (Tier 3) based on individual and small group needs

Theory of Action is written as an "If we... (x, y, and/or z strategy), then we see... (desired staff/student practices), which results in... (goals)"

All major resources necessary for implementation (people, time, money, materials) are considered to write a feasible Theory of Action.

which leads to...

the high-level functioning BHT, MTSS and Cultural and Climate Team that monitors with feedback and problem-solution oriented on-track data (grades/GPA/attendance) to provide interventions/supports for students at risk for trauma, failure, and/or truancy.

[Return to Top](#)

Implementation Plan

Resources:

Indicators of a Quality CIWP: Implementation Planning

Implementation Plan Milestones, collectively, are comprehensive to implementing their respective Theories of Action and are written as SMART goals. The number of milestones and action steps per milestone should be impactful and feasible.

Implementation Plan identifies team/person responsible for implementation management, monitoring frequency, scheduled progress checks with CIWP Team, and data used to report progress of implementation.

Implementation Plan development engages the stakeholders closest to the priority, even if they are not already represented by members of the CIWP team.

Action steps reflect a comprehensive set of specific actions which are relevant to the strategy for at least 1 year out.

Action steps are inclusive of stakeholder groups and priority student groups.

Action steps have relevant owners identified and achievable timelines.

Reflection on Foundation

Using the associated documents, is this practice consistently implemented?

No	School teams implement an equity-based MTSS framework that includes strong teaming, systems and structures, and implementation of the problem solving process to inform student and family engagement consistent with the expectations of the MTSS Integrity Memo.
Partially	School teams create, implement, and progress monitor academic intervention plans in the Branching Minds platform consistent with the expectations of the MTSS Integrity Memo.
Partially	Students receive instruction in their Least Restrictive Environment. Staff is continually improving access to support Diverse Learners in the least restrictive environment as indicated by their IEP.
Yes	Staff ensures students are receiving timely, high quality IEPs, which are developed by the team and implemented with fidelity.
Partially	English Learners are placed with the appropriate and available EL endorsed teacher to maximize required Tier I instructional services.
Partially	There are language objectives (that demonstrate HOW students will use language) across the content.

What are the takeaways after the review of metrics?

1. MTSS best practices were not implemented with fidelity.
2. Need of a best practice "look-for" on MTSS.
3. MTSS team didn't consistently meet.
4. Mixed communication on student data entry on Branching Mind, i.e., Network met with teachers and stated only focus on a group of students by the end of the year there was another request.
5. Teachers are not savvy on interventions and strategies that close instructional gaps.
6. Teachers need support on progress monitoring.

What is the feedback from your stakeholders?

1. Not having a functional MTSS Team, Curtis lost 2nd counselor during open transfer and lost Case manager sometime after.
2. Team need MTSS "look-fors"
3. Teachers didn't input data into Branching Minds because they need support with interventions.

What student-centered problems have surfaced during this reflection?

1. Lack of evidence in Branching Minds to support the next level for students to be discussed as a BHT referral and further recommended for an IEP
2. Data collection is weak on various students who teachers feel should be staffed

What, if any, related improvement efforts are in progress? What is the impact? Do any of our efforts address barriers/obstacles for our student groups furthest from opportunity?

- Related improvement efforts that are in progress:
1. Use of IL Empowerment funds to provide professional development on various topics before Week 0
 2. Opened the opportunity for teachers to receive professional development 7/17 and 7/18 with Brown Academy - this move was intentional and aligned to the 5 Essentials where the school was rated Weak on (a) high quality instruction, and (b) teacher collaboration.

SY26 Anticipated Milestones *[What milestones do we anticipate working towards, in SY26, to fully achieve our Theory of Action?]* 

[Return to Top](#) **Goal Setting**

Indicators of a Quality CIWP: Goal Setting
 Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on applicable baselines and trend data).
 Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).
 Goals seek to address priorities and opportunity gaps by embracing the principles of [Targeted Universalism](#).
 There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.
 Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.
 Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

Resources: 

[IL-EMPOWER Goal Requirements](#)
 For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:
 -The CIWP includes a reading Performance goal
 -The CIWP includes a math Performance goal
 -The goals within the reading, math, and any other IL-EMPOWER goals include numerical targets
 -Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

Performance Goals

Specify the Goal 	Can this metric be frequently monitored?	Metric	Student Groups (Select 1-2)	Baseline 	Numerical Targets [Optional] 		
					SY24	SY25	SY26

Practice Goals

Identify the Foundations Practice(s) most aligned to your practice goals. 📌

Specify your practice goal and identify how you will measure progress towards this goal. 📌

	SY24	SY25	SY26
I&S:1 School teams implement an equity-based MTSS framework that includes strong teaming, systems and structures, and implementation of the problem solving process to inform student and family engagement consistent with the expectations of the MTSS Integrity Memo.	Systems and structures of progress monitoring student progress.		
I&S:4 Staff ensures students are receiving timely, high quality IEPs, which are developed by the team and implemented with fidelity.	Gen Ed and SPED teachers will meet monthly with Case Manager to review IEPs and 504 Plans. Gen Ed teachers will become more familiar with IEPs as it pertains to modifications, accommodations, strategies and interventions.		
I&S:2 School teams create, implement, and progress monitor academic intervention plans in the Branching Minds platform consistent with the expectations of the MTSS Integrity Memo.	All teachers will use Branching Minds with fidelity for all students. Teachers will implement interventions and strategies and include them in Branching Minds. School leaders will monitor teachers' input into Branching Minds. Teachers will monitor interventions and strategies as a fluid process and if they do not work will try another research-based practice to support the skill and/or tiered student(s).

IL-Empower
Section below

Our school receives school improvement funding through Title I, Part A, 1003 (IL-Empower)

This CIWP serves as your School Improvement Plan, which is required for schools in school improvement status (comprehensive or targeted) as identified by the Illinois State Board of Education (ISBE). The following section, "IL-Empower," addresses grant requirements, assurances, and alignment across your CIWP, grant budget, and state designation.

If Checked:

No action needed

**Our school DOES NOT receive school improvement funding through Title I, Part A, 1003 (IL-Empower).
(Continue to Parent & Family Plan)**

IL-Empower

IL-EMPOWER GRANT ASSURANCES

By checking the boxes below, you indicate that your school understands and complies with each of the grant assurances listed.

- The purpose of the IL-Empower grant funds, authorized under Title I, Part A, Section 1003 School Improvement of the Elementary and Secondary Education Act, is to support local education agencies (LEAs), via the Statewide System of Technical Assistance and Support (IL-EMPOWER) to serve schools implementing comprehensive support and improvement activities or targeted support and improvement activities. The goal is to provide all children significant opportunity to receive a fair, equitable, and high-quality education by providing adequate resources to substantially raise the achievement of students in lowest and underperforming schools, as defined by the Illinois State Board of Education (ISBE).
- The purpose of the funding is to build the capacity of school leaders to implement effective school improvement practices, and the goal is to enable schools in improvement status to improve student achievement and performance outcomes and to exit status.
- Funding will be used only to develop, implement and/or monitor School Improvement Plans (SIPs) / CIWPs. Grant funds may be used for the following types of planning and implementation activities:
 - q) Paying school personnel to collaborate and to develop, implement, and monitor school improvement plans
 - b) Contracting for professional services from State-Approved Learning Partners
 - c) Conducting school-level needs assessments
 - d) Analyzing data
 - e) Identifying resource inequities
 - f) Researching and implementing evidence-based interventions
 - g) Purchasing standards-aligned curriculum and materials
 - h) Purchasing and administering local assessments for progress monitoring
- Supplement, not supplant is in effect. Schools and LEAs shall use IL-Empower grant funds only to supplement the funds that would, in the absence of such federal funds, be made available from state and local sources for the education of students participating in programs assisted under this part, and not to supplant such funds.
- Schools designated for comprehensive or targeted support can expect four years of continuation funding from the initial summative designation. Improvement status defines the up-to four-year term that runs concurrently with the IL-EMPOWER grant program. Status and funding begin with an initial summative designation of comprehensive or targeted and continue through the remaining part of the first year in the planning phase of the grant and are followed by three consecutive years of implementation. School Improvement funding is awarded concurrently with improvement status. Improvement status and grant funding continue concurrently for up to four years regardless of positive changes in annual summative designations because IL-EMPOWER is structured to support local efforts with scaffolded support of sufficient size and longevity to improve outcomes for students and exit improvement status within a four-year grant term.
- School Improvement Reports (SIR) are due on a triannual basis.
- Schools in comprehensive improvement status must work with a State-Approved Learning Partner to address areas identified in the respective school improvement plans. Schools in targeted improvement status may or may not elect to work with a State-Approved Learning Partner. Approved Learning Partners are contracted by ISBE and are authorized to provide direct professional learning services in evidence-based practices to LEAs and comprehensive and targeted schools. Only vendors selected for an executed contract with ISBE may provide services to IL-Empower districts and schools (both comprehensive and targeted) using Title I, Part A, Section 1003 School Improvement funds, and likewise only those subcontractors included in either the executed contract or subsequent written approval by ISBE may provide services to IL-EMPOWER districts and schools.
- As a grant recipient, you may be required to participate in program evaluation activities, site monitoring visits, and audit protocols.

As part of annual grant application and amendment processes, you may be asked to submit additional information regarding budget requests and alignment of budget allocations to CIWP.

IL-EMPOWER SMART GOALS

Of the goals developed earlier in this CIWP, please choose at least 2, and up to 3, that will be your focus areas for IL-Empower. These goals should be in alignment with your ISBE designation and reference specific student groups, as applicable. As part of the annual grant application and amendment processes, please be prepared to outline how your IL-Empower grant budgets will support the chosen goal(s).

Our school is a Title I school operating a Schoolwide Program

This CIWP serves as your comprehensive Title I plan, which is a federal requirement for every Title I school operating a schoolwide program. As outlined in the federal legislation, this plan must be reviewed on at least an annual basis, and it must be made available to the district, parents, and the public. The following section, "Title I Schoolwide Programs and Parent Involvement," addresses the federal Title I requirements around meaningful parent and family involvement in developing and implementing Title I schoolwide programs.

If Checked:
No action needed

Our school is a non-Title I school that does not receive any Title I funds. (Continue to Approval)

SCHOOL & FAMILY ENGAGEMENT POLICY

ESSA, Title I, Part A law requires schools to develop a parent and family policy that reflects their commitment to develop best engagement practices and maximizes meaningful consultation. Checking the boxes below indicates that your school understands and complies with each requirement listed.

The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also hold an annual Title I PAC Organizational meeting at which 4 PAC officers are elected and monthly meeting dates are identified. The school will also offer parental and family engagement meetings, including monthly school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend.

At the request of parents, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children.

Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading.

Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks.

Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments, including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators.

Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement.

Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate, and work with parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members.

Schools will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.

Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language.

SCHOOL & FAMILY COMPACT

Your school shall jointly develop, with parents, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. Checking off the statements below indicates your school will develop a compact that complies with each requirement. Compact statements will be housed at the school and shared with all parents.

The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards.

The school will hold parent-teacher conferences.

The school will provide parents with frequent reports on their children's progress.

The school will provide parents reasonable access to staff.

- The school will provide parents, as appropriate, opportunities to engage in and volunteer with school activities.
- The parents will support their children's learning.
- The students will share the responsibility for improved student academic achievement by engaging in behaviors such as good attendance, positive attitude, and class preparation, among others.

PARENT & FAMILY ENGAGEMENT BUDGET

The overarching goal for Title I Parent & Family Engagement funds is to increase student academic achievement through parental and family engagement and supporting skills development. In the box below, identify the academic priority areas around which your parent engagement & skills development will be aligned. As a reminder, use of your funds must occur in consultation with parents.

In order to maintain compliance with the use of Title I Parent & Family Engagement funds, please review and check each box below to indicate that your school understands and complies with the requirements following. We will...

- Spend Parent & Family Engagement Funds in a timely manner (Average 10%/month)
- Collaborate with parents, prioritizing PAC officers, to decide on Title I expenditures
- Assure that funds impact the majority of parents or focus on parents with students most at academic risk
- Provide up to date monthly fund reports to PAC officers
- Maintain a binder with the original documents related to PAC meetings, presentations, fund expenditures and other evidence of collaboration
- Provide support to PAC officers including but not limited to consultation about fund usage, meeting set-up, information dissemination, and organizational support
