CIWP Team & Schedules

Indicators of Quality CIWP: CIWP Team

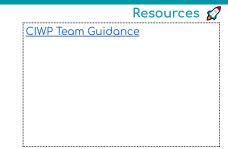

The CIWP team includes staff reflecting the diversity of student demographics and school programs.

The CIWP team has 8-12 members. Sound rationale is provided if team size is smaller or larger.

The CIWP team includes leaders who are responsible for implementing Foundations, those with institutional memory and those most impacted.

The CIWP team includes parents, community members, and LSC members.

All CIWP team members are meaningfully involved in the planning process for CIWP components and include other stakeholders, as appropriate for their role, with involvement along the CPS Spectrum of Inclusive Partnerships (from the CPS Equity Framework).

Indicators of a Quality CIWP: Reflection on Foundations

Schools reflect by triangulating various data sources, inclusive of quantitative and qualitative data, and disaggregated by student groups.

Reflections can be supported by available and relevant evidence and accurately represent the school's implementation of practices.

Stakeholders are consulted for the Reflection of Foundations.

Schools consider the impact of current ongoing efforts in the Reflection on Foundation.

Determine Priorities Return to Top

What is the Student-Centered Problem that your school will address in this Priority?

Determine Priorities Protocol

Resources: 💋

Partially

Partially

Yes

Partially

Yes

Students need clarity on the expectations/goals in order to achieve mastery in their subject area.

Indicators of a Quality CIWP: Determine Priorities

Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core.

Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative).

For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation.

Priorities are determined by impact on students' daily experiences.

Root Cause Return to Top

What is the Root Cause of the identified Student-Centered Problem?

5 Why's Root Cause Protocol

Resources: 😰

As adults in the building, we...

need to provide students with a variety of assessments to demonstrate mastery. Students need clear expectations/rubric/objectives at the beginning of Instructional Units. Students need to know the purpose of their learning and how it connects to their world.

Indicators of a Quality CIWP: Root Cause Analysis

Each root cause analysis engages students, teachers, and other stakeholders closest to each priority, if they are not already represented by members of the CIWP team. The root cause is based on evidence found when examining the student-centered problem.

Root causes are specific statements about adult practice.

Root causes are within the school's control

Theory of Action Return to Top

What is your Theory of Action?

Resources: 🜠 Indicators of a Quality CIWP: Theory of Action

Theory of Action is grounded in research or evidence based practices.

If we...

provide high quality curricula across content areas and focus on instruction centered around the Inner Core and the needs of students

Jump to... **TOA Progress** Priority Goal Setting **Monitoring** Root Cause Implementation Plan Reflection

Select the Priority Foundation to

Curriculum & Instruction

Theory of Action is an impactful strategy that counters the associated root cause.

then we see....

teachers delivering standards aligned, high quality instruction that uses balanced assessment systems to measure student learning

Theories of action explicitly aim to improve the experiences of student groups, identified in the Goals section, in order to achieve the goals for selected metrics. Theory of Action is written as an "If we... (x, y, and/or z strategy), then we see... (desired

All major resources necessary for implementation (people, time, money, materials) are considered to write a feasible Theory of Action.

staff/student practices), which results in... (goals)"

which leads to...

purposeful instructional practices and balanced assessments resulting in student growth evidenced by at least 70% of students being on grade level or above on iReady and 60% of students who score in the intervention range on the BOY Star 360 assessment will move to above the intervention level on the EOY Star 360.

Implementation Plan Return to Top

Resources: 💋

Indicators of a Quality CIWP: Implementation Planning

Implementation Plan Milestones, collectively, are comprehensive to implementing their respective Theories of Action and are written as SMART goals. The number of milestones and action steps per milestone should be impactful and feasible

Implementation Plan identifies team/person responsible for implementation management, monitoring frequency, scheduled progress checks with CIWP Team, and data used to report progress of implementation.

Implementation Plan development engages the stakeholders closest to the priority, even if they are not already represented by members of the CIWP team.

Action steps reflect a comprehensive set of specific actions which are relevant to the strategy for at least 1 year out. Action steps are inclusive of stakeholder groups and priority student groups.

Action steps have relevant owners identified and achievable timelines.

Team/Individual Responsible for Implementation Plan **Instructional Leadership Team and MTSS Team**

Goal Setting

Indicators of a Quality CIWP: Goal Setting

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism. There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

Resources: 💋

IL-EMPOWER Goal Requirements

For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:

- -The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal -The goals within the reading, math, and any other

- IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

Reflection on Foundation

Using the associated documents, is this practice consistently implemented?

Progress

Yes	Universal teaming structures are in place to support student connectedness and wellbeing, including a Behavioral Health Team and Climate and Culture Team.
Partially	Student experience Tier 1 Healing Centered supports, including SEL curricula, Skyline integrated SEL instruction, and restorative practices.
Partially	All students have equitable access to student-centered enrichment and out-of-school-time programs that effectively complement and supplement student learning during the school day and are responsive to other student interests and needs.
No	Students with extended absences or chronic absenteeism re-enter school with an intentional re-entry plan that facilitates attendance and continued enrollment.

What are the takeaways after the review of metrics?

We have an uptick in student referrals to BHT, and in Aspen. Our cultivate surveys are areas for review and reflection. Our suspension rates are up in this school year based on repeated behaviors from select students

What is the feedback from your stakeholders?

Keep pressing SEL across the board, not just in one classroom but in all subjects. Adults in the building need to practice and model the SEL practices we want our students to demonstrate. (We tell students to be kind, but we need to demonstrate what 'kind" is for the students.)

What student-centered problems have surfaced during this reflection?

- Chronic absentee students are repeat offenders - Some families see school as optional following the pandemic and school lockdown - Some concerns about growing number of bullying investigations

What, if any, related improvement efforts are in progress? What is the impact? Do any of our efforts address barriers/obstacles for our student groups furthest from opportunity?

Student Voice needs adjustment after our first year of implementation. Our Junior Coaches program is a large success for our students who are coaches and those whom they interact with. Our SEL designated time in the middle school is beneficial to the community of the classes. Our Peer Conference Leaders are trained and ready to help lead talking or peace circles with our other grades. This year they started with Kindergarten and 1st grade and the focus moving forward is our rising 3rd and 4th grade students. An impactful CIVICS project involved the 8th grade spending their time with the kindergarteners reading.

Determine Priorities Return to Top

What is the Student-Centered Problem that your school will address in this Priority?

are not responsive to the social emotional needs of their peers and disruptive, inappropriate behaviors have

Indicators of a Quality CIWP: Determine Priorities

Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core.

Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative).

For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation.

Priorities are determined by impact on students' daily experiences.

SY25-SY26 Implementation Milestones

SY25 Anticipated Milestones

Contact parents of chronic absentee students in grades K-3 prior to school starting to encourage attendance Review SY24 attendance data to target students, and adapt a re-entry plan for extended absences. Drop in chronic absenteeism by 5% by EOY SY25. Increased awareness and mastery in writing and implementing language goals for ELLs.

SY26 Anticipated Milestones

Drop in chronic absenteeism by 10% (from start of CIWP process) by EOY SY26. Continued use and revision of re-entry plans for chronically absent students.

Majority of staff are EL or Bilingual certified by EOY26. Increase in the number of staff who are certified to administer the ACCESS test and EL screeners by 10% by EOY26. Increased awareness and mastery in writing and implementing language goals for ELLs.

Goal Setting Return to Top

Indicators of a Quality CIWP: Goal Setting

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism. There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

Resources: 💋 IL-EMPOWER Goal Requirements

For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:

-The CIWP includes a reading Performance goal
-The CIWP includes a math Performance goal
-The goals within the reading, math, and any other
IL-EMPOWER goals include numerical targets

-Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

Performance Goals

					Numerical	Targets [Opti	onal] ద
