Curriculum & Instruction Connectedness & Wellbeing Partnerships & Engagement Inclusive & Supportive Learning Postsecondory Indicators of a Quality CIWP: Reflection on Foundations Resources 🚀 Schools reflect by triangulating various data sources, inclusive of quantitative and qualitative **Reflection on Foundations Protocol** data, and disaggregated by student groups. Reflections can be supported by available and relevant evidence and accurately represent the school's implementation of practices. Stakeholders are consulted for the Reflection of Foundations. Schools consider the impact of current ongoing efforts in the Reflection on Foundation. **Curriculum & Instruction** Using the associated references, is this practice consistently References What are the takeaways after the review of metrics? Metrics implemented? Students have access to high quality curricular materials through the implementation of Skyline. However, the structure CPS High Quality and fidelity of implementation varies per grade level. The lack Curriculum IAR (Math) of materials in Spanish prevented collaboration among Rubrics teachers and implementation for our students who receive instruction in Spanish. The data from our rigor walk shows All teachers, PK-12, have access to high quality that students partially experience grade level, standards aligned instruction. The school has shown improvement in this IAR (English)

curricular materials, including foundational skills Yes materials, that are standards-aligned and culturally area from BOY to EOY. This will be a continued focus for our responsive. building. Lloyd School's classrooms are partially focused on the Inner Core (identity, community, and relationships) and leverage research-based, culturally responsive powerful practices to ensure the learning environment meets the conditions that are needed for students to learn. The areas that we would like to improve based on the Learning Conditions Guide Overview are: Feedback for Growth, **Rigor Walk Rubric** <u>Teacher Team</u> Students experience grade-level, standards-aligned Partially Learning Cycle instruction. <u>Protocols</u> <u>Quality</u> Indicators Of Specially Designed Instruction Powerful Practices Rubric Schools and classrooms are focused on the Inner Core (identity, community, and relationships) and leverage Partially research-based, culturally responsive powerful practices <u>Learning</u> to ensure the learning environment meets the **Conditions** conditions that are needed for students to learn. <u>Continuum of ILT</u> Effectiveness The ILT leads instructional improvement through **Distributed** Partially distributed leadership. <u>_eadership</u> <u>Customized</u> <u>Balanced</u> Assessment Plan School teams implement balanced assessment systems that measure the depth and breadth of student **ES** Assessment Partially learning in relation to grade-level standards, provide <u>Plan</u> actionable evidence to inform decision-making, and Development <u>Guide</u> monitor progress towards end of year goals. <u>HS Assessment</u> Plan <u>Development</u> Assessment for <u>Learning</u> Reference

Meaningful Work. We have some great examples of student-centered classrooms at Lloyd and we would like to PSAT (EBRW) work to make this the norm at Lloyd. Lloyd has had an ILT for a year now. Administrators and teachers have been working to create a distributive leadership model at our school. We will continue this work throughout the school year. There are still some grade level team leads that need to be established. Lloyd has an assessment plan that the classrooms follow. We rated ourselves as partially on this point. We do data dives for interim assessments (Star 360, IReady, IAR, F&P, etc.) but we are not consistently analyzing the checkpoint assessments. The PSAT (Math) ability to have the students use the computer based Skyline assessments and having that data transfer to Branching Minds is a practice that Lloyd will spend time to research how we can use that data effectively for our students. Lloyd will STAR (Reading) also need to work on the variety of assessments that we give students. STAR (Math) What is the feedback from your stakeholders? -Textbooks were not culturally sensitive or relevant to our \succeq bilingual student population. iReady (Reading) -Materials needed for ELA were difficult to translate into Spanish.Instructional practices became labored due to lack and limited resources for our EL learners. iReady (Math) -We will need more ILT teacher leaders to effectively create the distributed leadership model we desire. -Training for teachers on aspects of Skyline and other varied Cultivate assessments will be an ongoing process. Grade Level teams will have to align all assessments. <u>Grades</u> **ACCESS** TS Gold Interim Assessment Data What, if any, related improvement efforts are in progress? What is the impact? Do any of your efforts address barriers/obstacles for our student groups furthest from opportunity?

Evidence-based assessment for learning practices are enacted daily in every classroom.

opportunities to improve fidelity and quality of implementation. -The district is in the process of making materials available in

-Staff are participating in professional development

Rigor Walk Data

(School Level Data)

Spanish -The Lloyd ILT will add members from all grade levels to make sure we can achieve the desired distributed leadership model.

What student-centered problems have surfaced during this reflection?

If this Foundation is later chosen as a priority, these are problems the school may address in this CIWP.

Most students have access to the curriculum. Lack of materials in Spanish for EL students and lack of implementation of modified assessments for DL students. All assessments need to be the same throughout the grade level to ensure equity.

Component Assessment

<u>SEL Teaming</u>

Structure

What are the takeaways after the review of metrics?

Lloyd launched a PBIS Team focusing on school-wide behavior \measuredangle expectations and a BHT focusing on reviewing and supporting Tier 2 and 3 behavior support in SY23. The establishment of a morning SEL block was created on the instructional schedule. The Second Step curriculum was implemented during this SEL block along with Calm Classroom strategies throughout the day as teachers deemed appropriate. A Culture & Climate Team that works with the SY24 School Culture Team (former PBIS Team) and BHT will continue to focus on SEL systems and practices to promote a positive school climate through a focus on: Relational Trust; Environment & Structures will be launched in SY24.

Metrics

<u>% of Students</u> receiving Tier 2/3 interventions meeting <u>targets</u>

Reduction in OSS per <u>100</u>

Reduction in repeated disruptive behaviors (4-6 SCC)

Student experience Tier 1 Healing Centered supports, including SEL curricula, Skyline integrated SEL instruction, and restorative practices.

All students have equitable access to student-centered enrichment and out-of-school-time programs that effectively complement and supplement student learning during the school day and are responsive to other student interests and needs.

What is the feedback from your stakeholders?

-K-5 students have access to OST programing in the summer, fall and \measuredangle spring with an array of programing options that complement and supplement student learning

-Some families have a misconception of OST programing. There is a need for clarifying the purpose of OST programing -We need a bord reset on communication the value and importance

Determine Priorities

Resources: 💅

What is the Student-Centered Problem that your school will address in this Priority?

Students...

Bilingual students did not have grade level materials in Spanish for ELA. There is a need for students to have common assessments to ensure equity and to have uniform grading practices. There was a lack of student feedback to address their deficits. There was a deficit in equity and equality of tier 1 instruction and materials for all students.

Determine Priorities Protocol

\sim Indicators of a Quality CIWP: Determine Priorities

Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core

Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative).

For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation. Priorities are determined by impact on students' daily experiences.

What is the Root Cause of the identified Student-Centered Problem?

As adults in the building, we...

We lack the systems and structures to promote equity and equality in tier 1 delivery of instruction for all students. There has been a lack of collaboration in grade levels that has affected the quality and the delivery of tier 1 instruction. We lack the shared understanding and buy-in of the need for equity in curriculum and assessments. We need to shift our conversations from deficit-centered to solution-centered.

5 Why's Root Cause Protocol

Indicators of a Quality CIWP: Root Cause Analysis

Each root cause analysis engages students, teachers, and other stakeholders closest to each priority, if they are not already represented by members of the CIWP team.

The root cause is based on evidence found when examining the student-centered oroblem

Root causes are specific statements about adult practice.

Root causes are within the school's control.

Theory of Action

What is your Theory of Action?

If we...

IL-EMPOWER Goal Requirements

For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following: -The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal -The CIWP includes a math Performance goal

student groups named in the designation within the goals above and any other IL-EMPOWER goals

-The goals within the reading, math, and any other IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the

Performance Goals

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Goals seek to address priorities and opportunity gaps by embracing the principles of <u>Targeted Universalism</u>.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

As adults in the building, we	k
Lack a school-wide plan for how to build connectedness in the school setting. Lack of a shared vision and plan for connecting with students. There is a lack of a school-wide strategy for chronic absences which impacts student achievement and engagement.	Indicators of a Quality CIWP: Root Cause Analysis Each root cause analysis engages students, teachers, and other stakeholders closest to each priority, if they are not already represented by members of the CIWP team. The root cause is based on evidence found when examining the student-centered problem. Root causes are specific statements about adult practice. Root causes are within the school's control.

For CIWP goals to fulfill IL-EMPOWER requirement ensure the following: -The CIWP includes a reading Performance goal optional and based on on applicable baselines and trend data). Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more). -The CIWP includes a math Performance goal -The goals within the reading, math, and any other IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism. There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

Parent and Family Plan If Checked: \checkmark Our school is a Title I school operating a Schoolwide Program This CIWP serves as your comprehensive Title I plan, which is a federal requirement for every Title I school operating a schoolwide program. As outlined in Complete School & Family the federal legislation, this plan must be reviewed on at least an annual basis, and it must be made available to the district, parents, and the public. The following section, "Title I Schoolwide Programs and Parent Involvement," addresses the federal Title I requirements around meaningful parent and family Engagement Policy, School & Family Compact, and Parent involvement in developing and implementing Title I schoolwide programs. & Family Engagement Budget sections If Checked: Our school is a non-Title I school that does not receive any Title I funds. (Continue to Approval) No action needed

SCHOOL & FAMILY ENGAGEMENT POLICY

ESSA, Title I, Part A law requires schools to develop a parent and family policy that reflects their commitment to develop best engagement practices and maximizes meaningful consultation. Checking the boxes below indicates that your school understands and complies with each requirement listed.

- The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also hold an annual Title I PAC Organizational meeting at which 4 PAC officers are elected and monthly meeting dates are identified. The school will also offer parental and family engagement meetings, including monthly school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend.
- At the request of parents, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children.
- Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading
- Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks.
- Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments, including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators.
- Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement.
- Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate, and work with parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members.
- Schools will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.
- Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats,

SCHOOL & FAMILY COMPACT

including language.

Your school shall jointly develop, with parents, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. Checking off the statements below indicates your school will develop a compact that complies with each requirement. Compact statements will be housed at the school and shared with all parents.

- The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards.
- The school will hold parent-teacher conferences.
- The school will provide parents with frequent reports on their children's progress.
- The school will provide parents reasonable access to staff.
- The school will provide parents, as appropriate, opportunities to engage in and volunteer with school activities.
- The parents will support their children's learning.
- The students will share the responsibility for improved student academic achievement by engaging in behaviors such as good attendance, positive attitude, and class preparation, among others.

PARENT & FAMILY ENGAGEMENT BUDGET

The overarching goal for Title I Parent & Family Engagement funds is to increase student academic achievement through parental and family engagement and supporting skills development. In the box below, identify the academic priority areas around which your parent engagement & skills development will be aligned. As a reminder, use of your funds must occur in consultation with parents.

Parent & School Communication: Ensuring there is effective home and school communication and maintaining an "open-door" policy. Providing opportunities for parents to engage in school and community events and offer feedback for improvement. Parent Involvement Opportunities: Maintaining school partnerships and providing opportunities for parents to engage in school and community events.

Parent Education: Maintaining school partnerships and providing parents with classes and workshops with highly educated instructors to enhance their own learning and academic success.

Parent Volunteer Program: Provide training and opportunities for parents to support student and school progress (support school programs). Organization & Committees: Providing opportunities to participate in events and organization of the Local School Council, No Child Left Behind committee, Bilingual Advisory Committees.

NCLB monthly meetings

In order to maintain compliance with the use of Title I Parent & Family Engagement funds, please review and check each box below to indicate that your school understands and complies with the requirements following. We will...

- Spend Parent & Family Engagement Funds in a timely manner (Average 10%/month)
- Collaborate with parents, prioritizing PAC officers, to decide on Title I expenditures
- ${f V}$ Assure that funds impact the majority of parents or focus on parents with students most at academic risk
- Provide up to date monthly fund reports to PAC officers
- Maintain a binder with the original documents related to PAC meetings, presentations, fund expenditures and other evidence of collaboration
- 🗹 🛛 Provide support to PAC officers including but not limited to consultation about fund usage, meeting set-up, information dissemination, and organizational support
