## **CIWP Team & Schedules**

Indicators of Quality CIWP: CIWP Team

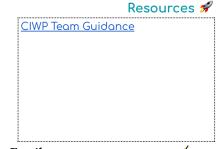

The CIWP team includes staff reflecting the diversity of student demographics and school programs.

The CIWP team has 8-12 members. Sound rationale is provided if team size is smaller or larger.

The CIWP team includes leaders who are responsible for implementing Foundations, those with institutional memory and those most impacted.

The CIWP team includes parents, community members, and LSC members.

All CIWP team members are meaningfully involved in the planning process for CIWP components and include other stakeholders, as appropriate for their role, with involvement along the <u>CPS Spectrum of Inclusive Partnerships</u> (from the CPS Equity Framework).

#### **Initial Development Schedule**

Outline your schedule for developing each component of the CIWP.

CIWP Components	Planned Start Date 🚣	Planned Completion Date 🚣
Team & Schedule	4/24/23	4/24/23
Reflection: Curriculum & Instruction (Instructional Core)	5/16/23	5/29/23
Reflection: Inclusive & Supportive Learning (Instructional Core)	5/16/23	5/29/23
Reflection: Connectedness & Wellbeing	5/30/23	6/13/23
Reflection: Postsecondary Success	5/30/23	6/13/23
Reflection: Partnerships & Engagement	6/8/23	6/22/23
Priorities	7/7/23	7/14/23
Root Cause	7/7/23	7/14/23
Theory of Acton	7/7/23	7/14/23
Implementation Plans	8/1/23	7/21/23
Goals	8/1/23	7/21/23
Fund Compliance	8/7/23	8/7/23
Parent & Family Plan	8/7/23	8/7/23
Approval	8/18/23	

## SY24 Progress Monitoring Schedule

Indicate the SY24 dates when your CIWP team will hold progress monitoring check-ins. As a reference, these dates will auto-populate in your implementation plans.

CIWP Progre	ess Monitoring Meeting Dates	1
Quarter 1	10/24/2023	
Quarter 2	1/16/2024	
Quarter 3	3/19/2024	
Quarter 4	5/14/2024	

#### Indicators of a Quality CIWP: Reflection on Foundations

Inclusive & Supportive Learning

Schools reflect by triangulating various data sources, inclusive of quantitative and qualitative data, and disaggregated by student groups.

Reflections can be supported by available and relevant evidence and accurately represent the school's implementation of practices.

Stakeholders are consulted for the Reflection of Foundations.

Schools consider the impact of current ongoing efforts in the Reflection on Foundation.

What student-centered problems have surfaced during this reflection? If this Foundation is later chosen as a priority, these are problems the school may address in this

CIWP.

[problems experienced by most students; problems experienced by specific student groups]

- 1. Gaps in learning
- 2. Lack of vertical alignment
- 3. Engagement (teachers passion affects kids engagement in the curriculum) 4. Curriculum adaptation (consistent use of supplemental resources)
- 5. In school assessments (are students prepared to be successful)
- 6. Percentage of students hitting Star360 goal is less than 50%

What are the takeaways after the review of metrics?

takeaways reflecting most students; takeaways reflecting pecific student groups]

All students:

74% of K-2nd grade students are above/on/early grade level in Reading. 59% of K-2nd grade students are above/on/early grade level in Math.

Ready phonological awareness <60% meet grade level expectations in 1st grade, <75% meet grade level expectations kindergarten. We purchased Heggerty program to address phonological awareness.

Star 360 (Grades 3-8) Math: Overall percentile rank BOY was 41st. MOY was 43rd and EOY was 43rd. From BOY to EOY, only 43% of all students met their anticipated growth goal in math.

Star 360 (Grades 3-8) Reading: Overall percentile rank BOY was 39th, MOY was 41st and EOY was 38th. From BOY to EOY, only 14% of all students met their anticipated growth goal in

# What is the feedback from your stakeholders?

feedback trends across stakeholders; feedback trends across ل 🚣 specific stakeholder groups]

Teachers/Staff: Ask questions about how we can improve vertical alignment and begin to close gaps. They noticed that here was a deficit in grammar and writing mechanics. Teachers questioned if the pandemic affected how students are continuing to learn and process in a school setting. eachers want more support around understanding Star360 data and how to use this in grouping students for small group

Students: Curriculum and class time needs to be more engaging. Teachers need to offer more support and help to tudents even when students don't express a need (consistent active monitoring coming from 5E).

amilies/Community members: LSC meetings happening hroughout summer to gather more data and input. Families eek more understanding about iReady and Star360 assessment and how they align to daily instruction and urriculum.

What, if any, related improvement efforts are in progress? What is the impact? Do any of your efforts address barriers/obstacles for our student groups furthest from opportunity?

impact on most students; impact on specific student groups] 🛚 📥

Collaborates to use data to create instructional small groups or in-class learning and interventionist pull-out sessions. Created useful plans to mitigate declining test scores and use lass time to close learning gaps.

Our objectives that are multi-tiered systems of support directly address student individual needs and assess how our nterventionists and classroom teachers can address gaps in both math and reading.

We need MTSS team (are now establishing) with MTSS lead to oversee input of MTSS data. We will incorporate that into PDP. Interventionists used Branching minds to input data on students that were receiving interventionist support. Interventionists pulled students with groups of 3-6+ to try to give support to the large number of tier 3 students, but it's not enough for only interventionists to do.

Interventionists used V-Math math and REWARDS for interventions, both are research based.

Data collection: Some primary teachers used iReady data to

However, what is applicable is well-managed and implemented at our school site. What is being newly introduced has already begun to be spearheaded amongst middle school team and middle school team teacher leaders.	

#### Select the Priority Foundation to pull over your Reflections here =

## All teachers, PK-12, have access to high quality curricular materials, including foundational skills materials, that are standards-aligned and Yes Yes Students experience grade-level, standards-aligned instruction. Schools and classrooms are focused on the Inner Core (identity, community, and relationships) and leverage research-based, culturally responsive **Partially** powerful practices to ensure the learning environment meets the conditions that are needed for students to learn. The ILT leads instructional improvement through distributed **Partially** leadership. School teams implement balanced assessment systems that measure the depth and breadth of student learning in relation to grade-level **Partially** standards, provide actionable evidence to inform decision-making, and monitor progress towards end of year goals. Evidence-based assessment for learning practices are enacted daily **Partially** in every classroom.

Using the associated documents, is this practice consistently implemented?

#### What are the takeaways after the review of metrics?

[takeaways reflecting most students; takeaways reflecting specific student groups]

**Reflection on Foundation** 

74% of K-2nd grade students are above/on/early grade level in Reading. 59% of K-2nd grade students are above/on/early grade level in Math.

iReady phonological awareness <60% meet grade level expectations in 1st grade, <75% meet grade level expectations in kindergarten. We purchased Heggerty program to address

Star 360 (Grades 3-8) Math: Overall percentile rank BOY was 41st, MOY was 43rd and EOY was 43rd. From BOY to EOY, only 43% of all students met their anticipated growth goal in math.

Star 360 (Grades 3-8) Reading: Overall percentile rank BOY was 39th, MOY was 41st and EOY was 38th. From BOY to EOY, only 44% of all students met their anticipated growth goal in

#### What is the feedback from your stakeholders?

[feedback trends across stakeholders; feedback trends across specific stakeholder groups]

Teachers/Staff: Ask questions about how we can improve vertical alignment and begin to close gaps. They noticed that there was a deficit in grammar and writing mechanics. Teachers questioned if the pandemic affected how students are continuing to learn and process in a school setting. Teachers want more support around understanding Star360 data and how to use this in grouping students for small group instruction.

Students: Curriculum and class time needs to be more engaging. Teachers need to offer more support and help to students even when students don't express a need (consistent active monitoring coming from 5E).

Families/Community members: LSC meetings happening throughout summer to gather more data and input. Families seek more understanding about iReady and Star360 assessment and how they align to daily instruction and curriculum.

#### What student-centered problems have surfaced during this reflection?

[problems experienced by most students; problems experienced by specific student

- 2. Lack of vertical alignment
- 3. Engagement (teachers passion affects kids engagement in the curriculum)
- 4. Curriculum adaptation (consistent use of supplemental resources) 5. In school assessments (are students prepared to be successful)
- 6. Percentage of students hitting Star360 goal is less than 50%

#### What, if any, related improvement efforts are in progress? What is the impact? Do any of our efforts address barriers/obstacles for our student groups furthest from opportunity?

[impact on most students; impact on specific student groups]

Collaborates to use data to create instructional small groups for in-class learning and interventionist pull-out sessions. Created useful plans to mitigate declining test scores and use class time to close learning gaps.

Our objectives that are multi-tiered systems of support directly address student individual needs and assess how our interventionists and classroom teachers can address gaps in both

We need MTSS team (are now establishing) with MTSS lead to oversee input of MTSS data. We will incorporate that into PDP. Interventionists used Branching minds to input data on students that were receiving interventionist support.

Interventionists pulled students with groups of 3-6+ to try to give support to the large number of tier 3 students, but it's not enough for only interventionists to do.

Interventionists used V-Math math and REWARDS for interventions, both are research based.

Data collection: Some primary teachers used iReady data to support additional questioning techniques in the curriculum. They used the data to pull small groups of students. All teachers need to use exit tickets, assessment data to drive teaching lessons, small group instruction,

We need to be doing small groups based on assessment/exit ticket data and using frequent progress monitoring.

We need classroom teachers to do MTSS to address students in Tier 2 and Tier 3. We have an astounding number of students in Tier 3 and our interventionists can't do this alone. Classroom teachers need to support Tier 3 students more with scaffolding whole group

#### **Determine Priorities** Return to Top

What is the Student-Centered Problem that your school will address in this Priority?

Students...

Students do not have opportunities for small group instruction in all classes.

Students do not have multiple opportunities to make adjustment to learning based on feedback given from teachers and peers.

Students do not have deep understanding of school-wide assessment

Students do not have opportunities to deeply engage with text, math problems nor SS & Science topics Students do not have several opportunities to discuss classroom assessments with peers to deepen their understanding of learning

**Determine Priorities Protocol** 

Indicators of a Quality CIWP: Determine Priorities

Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core.

Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative).

Resources: 🚀

Resources: 🖋

For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation.

Priorities are determined by impact on students' daily experiences.

**Root Cause** Return to Top

What is the Root Cause of the identified Student-Centered Problem?

5 Why's Root Cause Protocol

As adults in the building, we...

are not providing our students with differentiated high quality instruction

Indicators of a Quality CIWP: Root Cause Analysis

Each root cause analysis engages students, teachers, and other stakeholders closest to each priority, if they are not already represented by members of the CIWP team.

## SY25-SY26 Implementation Milestones

SY25 Anticipated Milestones

100% of teachers will use formative assessment data to organize students into small groups and deliver differentiated instruction.

**SY26** Anticipated Milestones

100% of teachers will use pre-assessments as a grade level screener to identify differentiated and specific support needed to give to students in order for them to access Tier 1 instruction

Return to Top

#### **Goal Setting**

#### Indicators of a Quality CIWP: Goal Setting

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism. There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable

based on anticipated strategies and unique school contexts. Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

# Resources: 🖋

**IL-EMPOWER Goal Requirements** 

For CIWP goals to fulfill IL-EMPOWER requirements, please

ensure the following: -The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal

-The goals within the reading, math, and any other

IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

## **Performance Goals**

					Numerical	Targets [Opti	onal] 熆
Specify the Goal 🔑	Can this metric be frequently monitored?	Metric	Student Groups (Select 1-2)	Baseline 🚣	SY24	SY25	SY26
An increase of Met or Exceeded Expectations in math from 24% to	Voc	IAD (Math)	Overall	24%	34%	44	50
50%.	Yes	IAR (Math)	African American	11%	21%	31	41
An increase of African American students being identified as on track	V	2. 0 Or Trush	Overall	42	50	55	62
from 30% to 50% (attendance and grades)	Yes	3 - 8 On Track	African American	30	40	45	50

## **Practice Goals**

#### Identify the Foundations Practice(s) most aligned to your practice goals. 📤

Specify your practice goal and identify how you will measure progress towards this goal.

C&I:5 School teams implement balanced assessment systems that measure the depth and breadth of student learning in relation to grade-level standards, provide actionable evidence to inform decision-making, and monitor progress towards end of year goals.

In 80% of classrooms, we will observe just in time supports implemented without degrading the complexity of the task. Walkthroughs will be completed twice a quarter using a walkthrough tool.

In 90% of classrooms, we will observe just in time supports implemented without degrading the complexity of the task

In 100% of classrooms, we will observe just in time supports implemented without degrading the complexity of the task

C&I:5 School teams implement balanced assessment systems that measure the depth and breadth of student learning in relation to grade-level standards, provide actionable evidence to inform decision-making, and monitor progress towards end of year goals.

Weekly principal directed prep will provide targeted professional learning on how to plan for next steps and just in time supports in instruction using assessment data.

Weekly principal prep will provide professional learning to teachers around creation of or utilizing existing curricular pre assessments. 70% of teachers will give pre assessments to students to determine specific and differentiated Tier 1 support needed.

100% of teachers will give pre assessments to students to determine specific and differentiated Tier 1 support needed.

#### **Reflection on Foundation**

#### Using the associated documents, is this practice consistently implemented?

Yes	Universal teaming structures are in place to support student connectedness and wellbeing, including a Behavioral Health Team and Climate and Culture Team.
Yes	Student experience Tier 1 Healing Centered supports, including SEL curricula, Skyline integrated SEL instruction, and restorative practices.
Partially	All students have equitable access to student-centered enrichment and out-of-school-time programs that effectively complement and supplement student learning during the school day and are responsive to other student interests and needs.

Students with extended absences or chronic absenteeism re-enter

school with an intentional re-entry plan that facilitates attendance

#### What are the takeaways after the review of metrics?

[takeaways reflecting most students; takeaways reflecting specific student groups]

- 1. Staff need training on restorative practices
- 2. Chronic Absences are a major issue with connectedness
- 3. Lack of connection between grade levels
- 4. Behavioral Health Team should be used as a support in addition to the baseline supports that should be implemented into all classrooms NOT as the fix for all SEL related issues.

#### What is the feedback from your stakeholders?

[feedback trends across stakeholders; feedback trends across specific stakeholder groups]

- 1. Student Voice: We have student congress in place but do we need to redesign the selection process to make it more equitable. What are the outcomes of these meetings and how can they be shared schoolwide
- 2. How do the older students in our building create and build community outside of fundraising? Buddy rooms, 8th grade leaders, PEACE club. How do we remain consistent with

What, if any, related improvement efforts are in progress? What is the impact? Do any of our

3. In need of more culminating activities throughout the entire year: OST showcases, PBL, deeper planning for OST programming and more buy in from all stakeholders.

#### What student-centered problems have surfaced during this reflection?

[problems experienced by most students; problems experienced by specific student

1. Staff need training on implementing restorative practice.

and continued enrollment.

- 2. Student voice and student congress. i.e. what happens from the meetings? 3. 8th grade presence besides fundraising, community hours within school.
- 4. OST showcases

**Partially** 

- 6. Mixed homerooms ( with Regional Gifted and Boundary Students)
- 7. Lack of connect between grade levels 8. Increase student journals

efforts address barriers/obstacles for our student groups furthest from opportunity? [impact on most students; impact on specific student groups]

- 1. Positive, connect community
- 3. Student & staff accountability
- 4. Decrease the number of student journals
- 5. Improve attendance

**Determine Priorities** Return to Top

## What is the Student-Centered Problem that your school will address in this Priority?

## Students...

Only a small percentage of students showing Tier 3 behaviors have access to a team to support their behavioral needs outside of the classroom.

Students do not have clear universal systems consistently delivered or followed through by staff. Students do not have tools or skills needed to problem solve or self-regulate without the direct support of an adult.

Students do not have trusting relationships with their teachers/staff. (learning condition language)

**Determine Priorities Protocol** 

# Indicators of a Quality CIWP: Determine Priorities

Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core.

Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative).

For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation. Priorities are determined by impact on students' daily experiences.

Return to Top **Root Cause** 

5 Why's Root Cause Protocol

## Connectedness & Wellbeing

Theory of Action is an impactful strategy that counters the associated root cause.

then we see....

Teachers using anti-racist, anti-bias strategies to create strong classroom communities and using culturally relevant practices when enacting the curriculum, as well as teachers using restorative responses to student misbehavior

Theories of action explicitly aim to improve the experiences of student groups, identified in the Goals section, in order to achieve the goals for selected metrics. Theory of Action is written as an "If we... (x, y, and/or z strategy), then we see... (desired

All major resources necessary for implementation (people, time, money, materials) are considered to write a feasible Theory of Action

staff/student practices), which results in... (goals)"

#### which leads to...

An improvement of student connection with their teachers and schools and will be reflected in the 5E survey (The overall supportive Environment will increase from 33 to 60, student-teacher trust will increase from 31 to 60) as well as an overall increase in attendance from 92.2% to 95%.

**Implementation Plan** Return to Top

Resources: #

#### Indicators of a Quality CIWP: Implementation Planning

Implementation Plan Milestones, collectively, are comprehensive to implementing their respective Theories of Action and are written as SMART goals. The number of milestones and action steps per milestone should be impactful and feasible.

Implementation Plan identifies team/person responsible for implementation management, monitoring frequency, scheduled progress checks with CIWP Team, and data used to report progress of implementation.

Implementation Plan development engages the stakeholders closest to the priority, even if they are not already represented by members of the CIWP team.

Action steps reflect a comprehensive set of specific actions which are relevant to the strategy for at least 1 year out. Action steps are inclusive of stakeholder groups and priority student groups.

Action steps have relevant owners identified and achievable timelines.

## **Goal Setting**

#### Indicators of a Quality CIWP: Goal Setting

Identify the Foundations Practice(s) most aligned to your practice goals. 🚣

Skyline integrated SEL instruction, and

restorative practices.

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

Goals seek to address priorities and apportunity gaps by embracing the principles of Targeted Universalism. There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

## Resources: 🖋

**IL-EMPOWER Goal Requirements** 

For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:
-The CIWP includes a reading Performance goal

-The CIWP includes a math Performance goal

-The goals within the reading, math, and any other

IL-EMPOWER goals include numerical targets
-Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

practices and enacting the curriculum

in culturally-responsive ways.

#### **Parent and Family Plan**

If Checked:	<b>~</b>	Our school is a Title I school operating a Schoolwide Program
Complete School & Family Engagement Policy, School & Family Compact, and Parent & Family Engagement Budget sections		This CIWP serves as your comprehensive Title I plan, which is a federal requirement for every Title I school operating a schoolwide program. As outlined in the federal legislation, this plan must be reviewed on at least an annual basis, and it must be made available to the district, parents, and the public. The following section, "Title I Schoolwide Programs and Parent Involvement," addresses the federal Title I requirements around meaningful parent and family involvement in developing and implementing Title I schoolwide programs.
If Checked:		Our school is a non-Title I school that does not receive any Title I funds.  (Continue to Approval)
No action needed		(Continue to Approva)

#### SCHOOL & FAMILY ENGAGEMENT POLICY

ESSA, Title I, Part A law requires schools to develop a parent and family policy that reflects their commitment to develop best engagement practices and maximizes meaningful consultation. Checking the boxes below indicates that your school understands and complies with each requirement listed.

	The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I
	programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also hold an annual Title I PAC Organizational meeting at which 4
V	PAC officers are elected and monthly meeting dates are identified. The school will also offer parental and family engagement meetings, including monthly school PAC meetings, at
	different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend.

- At the request of parents, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children.
- Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading.
- Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) express this weeks
- Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments, including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators.
- Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement.
- Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate, and work with parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members.
- Schools will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.
- Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language.

#### SCHOOL & FAMILY COMPACT

Your school shall jointly develop, with parents, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. Checking off the statements below indicates your school will develop a compact that complies with each requirement. Compact statements will be housed at the school and shared with all parents.

- The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards.
  - The school will hold parent-teacher conferences.
- The school will provide parents with frequent reports on their children's progress.
- The school will provide parents reasonable access to staff.
- The school will provide parents, as appropriate, opportunities to engage in and volunteer with school activities.
- The parents will support their children's learning.
- The students will share the responsibility for improved student academic achievement by engaging in behaviors such as good attendance, positive attitude, and class preparation, among others.

## PARENT & FAMILY ENGAGEMENT BUDGET

The overarching goal for Title I Parent & Family Engagement funds is to increase student academic achievement through parental and family engagement and supporting skills development. In the box below, identify the academic priority areas around which your parent engagement & skills development will be aligned. As a reminder, use of your funds must occur in consultation with parents.

Supplies: Storage Bins for uniform exchange - \$ 250, Desk Office supplies- \$741.

Workshops: Anti bias anti racist education- \$991.50

In order to maintain compliance with the use of Title I Parent & Family Engagement funds, please review and check each box below to indicate that your school understands and complies with the requirements following. We will...

- Spend Parent & Family Engagement Funds in a timely manner (Average 10%/month)
- Collaborate with parents, prioritizing PAC officers, to decide on Title I expenditures
- Assure that funds impact the majority of parents or focus on parents with students most at academic risk
- Provide up to date monthly fund reports to PAC officers
- Maintain a binder with the original documents related to PAC meetings, presentations, fund expenditures and other evidence of collaboration
- Provide support to PAC officers including but not limited to consultation about fund usage, meeting set-up, information dissemination, and organizational support
