### What are the takeaways after the review of metrics?

Metrics

Student cultivate data, as well as, Supportive Environment component of the 5 Essentials survey indicated that students felt unsafe throughout the school. Discipline referral data suggest there was no consistent  $\ensuremath{\rho}\xspace$  lan for managing behaviors at the school wide level. Although there was an established Tier 2 & 3 process, the data indicated a need to establish a Tier 1 behavior process. It was also observed that student absenteeism was tied to behavior concerns stemming from safety issues in Tier 1 settings.

### <u>% of Students</u> receiving Tier 2/3 interventions meeting targets

Reduction in OSS per 100

Reduction in repeated disruptive behaviors (4-6 SCC)

Student experience Tier 1 Healing Centered supports, including SEL curricula, Skyline integrated SEL instruction, and restorative practices.

Universal teaming structures are in place to support

Behavioral Health Team and Climate and Culture Team.

student connectedness and wellbeing, including a

All students have equitable access to student-centered enrichment and out-of-school-time programs that effectively complement and supplement student learning during the school day and are responsive to other student interests and needs.

### What is the feedback from your stakeholders?

Creating a student voice committee-Providing surveys for students to complete but also taking action after we get the responses. tying legacy work done by the student voice to the physical outcomes of their work. Creating a video by former members explaining their accomplishments and why it is worth joining student voice.

& CIWP).

If this Foundation is later chosen as a priority, these are problems the school may address in this CIWP.

Teachers and Students share in the 5Essentials data that they have very little parent engagement in their school related activities. This gap in engagement doesn't maximize the parents as a powerful lever for student success.

Social Media for the School (Twitter, Facebook)

Parent 5 Essential Survey Outreach/event

Stowe School Friends (parent organization)

What, if any, related improvement efforts are in progress? What is the impact? Do any of your efforts address barriers/obstacles for our student groups furthest from opportunity?

A parent involvement committee has been established. Student voice committee has been established.

IL-EMPOWER Goal Requirements

For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:

-The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal -The goals within the reading, math, and any other IL-EMPOWER goals include numerical targets

above and any other IL-EMPOWER goals

-Schools designated as Targeted Support identify the

student groups named in the designation within the goals

## Goal Setting

## Indicators of a Quality CIWP: Goal Setting

Return to Top

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

Goals seek to address priorities and opportunity gaps by embracing the principles of <u>Targeted Universalism</u>. There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable

based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

## SY25-SY26 Implementation Milestones

SY25By the end of the 25-26 school year, all teachers and staff will implement school-wide PBIS strategies with fidelity as evidenced by an increase in the 5Anticipated<br/>MilestonesEssentials Survey "Supportive Environment" section.

SY26With the implementation of a school wide PBIS program, We will have an established process to analyze student surveys on activities put in place that<br/>continously inform any need for adjustments.Milestones

IL-EMPOWER Goal Requirements

For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following: -The CIWP includes a reading Performance goal

-The Clive includes a math renormance goat -The goals within the reading, math, and any other IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

-The CIWP includes a math Performance goal

## **Goal Setting**

| Indicators of a Quality | <sup>,</sup> CIWP: Goal Setting |
|-------------------------|---------------------------------|
|-------------------------|---------------------------------|

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism.

There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

## **Performance Goals**

| If Checked:<br>Complete<br>IL-Empower<br>Section below |  | <b>Our school receives school improvement funding through Title I, Part A, 1003 (IL-Empower)</b><br>This CIWP serves as your School Improvement Plan, which is required for schools in school improvement status (comprehensive or targeted) as identified<br>by the Illinois State Board of Education (ISBE). The following section, "IL-Empower," addresses grant requirements, assurances, and alignment across your<br>CIWP, grant budget, and state designation.   |   |  |                                      |      |      |  |  |  |
|--|--|---|---|--|--------------------------------------|------|------|--|--|--|
| If Checked:<br>No action needed                        |  | Our school DOES NOT receive school improvement funding through Title I, Part A, 1003 (IL-Empower).<br>(Continue to Parent & Family Plan)  |   |  |                                      |      |      |  |  |  |
|  |  | IL-Empower  |   |  |                                      |      |      |  |  |  |
|  | IL-E   | MPOWER GRANT ASSURANCES   |   |  |                                      |      |      |  |  |  |
|  | By ch  | necking the boxes below, you indicate that your school understands and complies with each of the gr   | rant assurances listed.   |  |                                      |      |      |  |  |  |
|  | The purpose of the IL-Empower grant funds, authorized under Title I, Part A, Section 1003 School Improvement of the Elementary and Secondary Education Act, is to support local education agencies (LEAs), via the Statewide System of Technical Assistance and Support (IL-EMPOWER) to serve schools implementing comprehensive support and improvement activities or targeted support and improvement activities. The goal is to provide all children significant opportunity to receive a fair, equitable, and high-quality education by providing adequate resources to substantially raise the achievement of students in lowest and underperforming schools, as defined by the Illinois State Board of Education (ISBE).   |   |   |  |                                      |      |      |  |  |  |
|  |  | The purpose of the funding is to build the capacity of school leaders to implement effective school i<br>improvement status to improve student achievement and performance outcomes and to exit status.   |   | is to enable school  | s in                                 |      |      |  |  |  |
|  |  | <ul> <li>Funding will be used only to develop, implement and/or monitor School Improvement Plans (SIPs) / CIWPs. Grant funds may be used for the following types of planning and implementation activities:         <ul> <li>a) Paying school personnel to collaborate and to develop, implement, and monitor school improvement plans</li> <li>b) Contracting for professional services from State-Approved Learning Partners</li> <li>c) Conducting school-level needs assessments</li> <li>d) Analyzing data</li> <li>e) Identifying resource inequities</li> <li>f) Researching and implementing evidence-based interventions</li> <li>g) Purchasing and administering local assessments for progress monitoring</li> </ul> </li> </ul> |   |  |                                      |      |      |  |  |  |
|  |  | Supplement, not supplant is in effect. Schools and LEAs shall use IL-Empower grant funds only to supplement the funds that would, in the absence of such federal funds, be made available from state and local sources for the education of students participating in programs assisted under this part, and not to supplant such funds.  |   |  |                                      |      |      |  |  |  |
|  | Schools designated for comprehensive or targeted support can expect four years of continuation funding from the initial summative designation. Improvement status defines the up-to four-year term that runs concurrently with the IL-EMPOWER grant program. Status and funding begin with an initial summative designation of comprehensive or targeted and continue through the remaining part of the first year in the planning phase of the grant and are followed by three consecutive years of four years regardless of positive changes in annual summative designations because IL-EMPOWER is structured to support local efforts with scaffolded support of sufficient size and longevity to improve outcomes for students and exit improvement status within a four-year grant term. |   |   |  |                                      |      |      |  |  |  |
|  |  | School Improvement Reports (SIR) are due on a triannual basis.  |   |  |                                      |      |      |  |  |  |
|  | ~  | Schools in comprehensive improvement status must work with a State-Approved Learning Partner to<br>plans. **Parent and Family Plan** If Checked:  $\checkmark$ Our school is a Title I school operating a Schoolwide Program This CIWP serves as your comprehensive Title I plan, which is a federal requirement for every Title I school operating a schoolwide program. As outlined in Complete School & Family the federal legislation, this plan must be reviewed on at least an annual basis, and it must be made available to the district, parents, and the public. The following section, "Title I Schoolwide Programs and Parent Involvement," addresses the federal Title I requirements around meaningful parent and family Engagement Policy, School & Family Compact, and Parent involvement in developing and implementing Title I schoolwide programs. & Family Engagement Budget sections If Checked: Our school is a non-Title I school that does not receive any Title I funds. (Continue to Approval) No action needed

### SCHOOL & FAMILY ENGAGEMENT POLICY

ESSA, Title I, Part A law requires schools to develop a parent and family policy that reflects their commitment to develop best engagement practices and maximizes meaningful consultation. Checking the boxes below indicates that your school understands and complies with each requirement listed.

- The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also hold an annual Title I PAC Organizational meeting at which 4 PAC officers are elected and monthly meeting dates are identified. The school will also offer parental and family engagement meetings, including monthly school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend.
- At the request of parents, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children.
- Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading.
- Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks.
- Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments, including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators.
- Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement.
- Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate, and work with parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members.
- Schools will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.
- Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language.

### SCHOOL & FAMILY COMPACT

Your school shall jointly develop, with parents, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. Checking off the statements below indicates your school will develop a compact that complies with each requirement. Compact statements will be housed at the school and shared with all parents.

- The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards.
- The school will hold parent-teacher conferences.
- The school will provide parents with frequent reports on their children's progress.
- The school will provide parents reasonable access to staff.
- The school will provide parents, as appropriate, opportunities to engage in and volunteer with school activities.
- The parents will support their children's learning.
- The students will share the responsibility for improved student academic achievement by engaging in behaviors such as good attendance, positive attitude, and class preparation, among others.

### PARENT & FAMILY ENGAGEMENT BUDGET

The overarching goal for Title I Parent & Family Engagement funds is to increase student academic achievement through parental and family engagement and supporting skills development. In the box below, identify the academic priority areas around which your parent engagement & skills development will be aligned. As a reminder, use of your funds must occur in consultation with parents.

Title 1 Parent & Family Engagement funds will support all three of our priorities. Workshops will provide parents with guidance on how Stowe will review student performance and respond with differentiated and tiered support. Parents will be gain an understanding of their student's academic performance levels, such as percentile rankings and how it relates to grade level performance. In addition, we will support parents in fully understanding the MTSS process in order to help them navigate the supports their student is to receive. Lastly, workshops also provide opportunities for parents to engage with teachers, staff and other parents as we work to build school community.

In order to maintain compliance with the use of Title I Parent & Family Engagement funds, please review and check each box below to indicate that your school understands and complies with the requirements following. We will...

- Spend Parent & Family Engagement Funds in a timely manner (Average 10%/month)
- Collaborate with parents, prioritizing PAC officers, to decide on Title I expenditures
- ${igert}$  Assure that funds impact the majority of parents or focus on parents with students most at academic risk
- Provide up to date monthly fund reports to PAC officers
- Maintain a binder with the original documents related to PAC meetings, presentations, fund expenditures and other evidence of collaboration
- 🗹 🛛 Provide support to PAC officers including but not limited to consultation about fund usage, meeting set-up, information dissemination, and organizational support
