#### What are the takeaways after the review of metrics?

- The data from the 5 essential survey shows that there has been a decline and is one of our lowewt area in parental involvement and fostering relationships with families school commitees and community members in contributing to the overall school goals (Dropped - 9 points from 2021, rated weak (31). - There are several forms of communication offered between

 There are several forms of communication offered between families and community members from town hall meetings, weekly newsletter/Paw Print, feedback link and personal emails on school website, Remind app, parent portal, but usage and utilization is low among families and community members. There's a need to develop more boards and panels for families and stakeholdrs to participate on/in.

- There is some opprtuinities for student voice/perspective, but is limited more towards students interst and choice in learning. There needs to be more opportunities in which students have voice in decsion making at all levels.

### **Goal Setting**

Indicators of a Quality CIWP: Goal Setting Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more). Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism.

There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

### **Performance Goals**

Resources: 💋

IL-EMPOWER Goal Requirements

For CIWP goals to fulfill IL-EMPOWER Goal Kequirements For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following: -The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal -The goals within the reading, math, and any other IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

Jump to Reflection		ty Foundation to effections here =>	Inclusive & Supportive Learning Environment				
	Reflect	ion on Found	ation				
Using the	associated documents, is this practice consistently implemented?		What are the takeaways after the review of metrics?				
Partially	School teams implement an equity-based MTSS framework that includes strong teaming, systems and structures, and implementation of the proble solving process to inform student and family engagement consistent with the expectations of the MTSS Integrity Memo.	were in place student and Branching M	- Established MTSS leadership team but lacked a variety of staff roles. Structures ed to drive evidence based instruction for students. MTSS Integrity for informing family engagement was not evident. MTSS Lead Interventionist was evident. Ilnds platform was utilized to support MTSS academic support and possibly for onal supports. Students receive instruction in the Least Restrictive Environment				
Partially	School teams create, implement, and progress monitor academic intervention plans in the Branching Minds platform consistent with the expectations of the MTSS Integrity Memo.	student rece implementin endorsed te					
Partially	Students receive instruction in their Least Restrictive Environment. Staff is continually improving access to support Diverse Learners in the least restrictive environment as indicated by their IEP.	endorsed teacher to maximize required Tier I instruction. There are language objectiv across content. The majority of the students are in pre-k and language objectives are integrated in their lessons. Skyline also has supports for EL learners.					
Partially	Staff ensures students are receiving timely, high quality IEPs, which are developed by the team and implemented with fidelity.		What is the feedback from your stakeholders?				
Yes	English Learners are placed with the appropriate and available EL endorsed teacher to maximize required Tier I instructional services.	collaboratio with quality team to sup	bout students getting appropriate supports. Good feedback regarding staff in to support students. More need for supports with supporting diverse learners instruction in the general education setting. Concerns with a functioning MTSS port student learning growth. Parents are not involved in the MTSS process and rstand their student intervention plans.				
Partially	There are language objectives (that demonstrate HOW students will use language) across the content.						
What	student-centered problems have surfaced during this reflection?		ny, related improvement efforts are in progress? What is the impact? Do any of our s address barriers/obstacles for our student groups furthest from opportunity?				

Inconsistent implementation of LRE

MTSS team is not well developed

MTSS is inconsistent and SEL data is missing

Referral to eligibility process is uneven based on the teacher

Parent communication and awareness is lacking.

efforts address barriers/obstacles for our student groups furthest from opportunity?

MTSS team is being developed with more stakeholders. Inclusion of more stakeholders will ensure intervention plans and evidence-based interventions are being implemented and data collection within branching-minds are being progress monitored in a timely manner. Tanner currently for the SY2023-2024 will have a full Diverse Learner Teacher team whereas all students will be serviced with consistency receiving quality instruction.

Return to Top Determine Priori	ities
What is the Student-Centered Problem that your school will address in this Priority?	Resources: 💋
Students	
Students goals and growth in Math, Reading and SEL did not show progress which implies	a 🔥 Indicators of a Quality CIWP: Determine Priorities
lack of effective intervention, relationship building, and monitoring.	Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core.
	Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative).
	For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation.
	Priorities are determined by impact on students' daily experiences.
Return to Top Root Cause	
	Resources: 🧭
What is the Root Cause of the identified Student-Centered Problem?	5 Why's Root Cause Protocol
As adults in the building, we	
did not prioritize MTSS nor have an effective MTSS team that provided explicit structures, routines and learning around around any dine quality interventions that are data driven and time

	Kellectio	on on Found	ation
Using the	associated documents, is this practice consistently implemented?		What are the takeaways after the review of metrics?
Yes	Universal teaming structures are in place to support student connectedness and wellbeing, including a Behavioral Health Team and		nts are recieving consistent tier 2&3 supports. 45% of these students are not Is (ELA), the majority of students did not have a goal set for math
	Climate and Culture Team.	OSS has rem	ained steady across the years, increase in tracking of other interventions used
	Chudest sussians Tiss 11 Isolian Costand sussests is shuding CFI	30 students H	nave multiple discipline infractions at the same level
Partially	Student experience Tier 1 Healing Centered supports, including SEL curricula, Skyline integrated SEL instruction, and restorative practices.	OST 25% of s	tudents had access to it 80% were in target groups
		Peak in Week	11 (still below 95%) and then steady decline throughout the year
		Chronic Abse	ent 10 student reduction from SY22-SY23
Partially	All students have equitable access to student-centered enrichment and out-of-school-time programs that effectively complement and supplement student learning during the school day and are responsive to other student interests and needs.	Belonging ar	nd Identity (Weak)
No	Students with extended absences or chronic absenteeism re-enter school with an intentional re-entry plan that facilitates attendance and continued enrollment.		What is the feedback from your stakeholders?
	-		endance team has recognized that students who are on time and in attendance
			el more connected to the school community and are more likely to engage in the school-wide activities
		are more like	iced that students who are physically and mentally engaged in SEL interventions ly to feel connected to the school community, decrease behavior infractions, and ease in personal wellbeing
		parents do r	not feel connected to the school
		-50% of staff	has restorative practice training, staff is looking for training
W/h ++	student contained machines have surficeed during this soft asian)	What, if ar	y, related improvement efforts are in progress? What is the impact? Do any of our
	student-centered problems have surfaced during this reflection?		s address barriers/obstacles for our student groups furthest from opportunity?
15% of student	is are involved in repeated offences ts are Chronically absent fective 45% of the time (ELA) and incorrectly monitored in math 70% if		lity of meeting of BHT, C&C, and attendance teams has increased monitoring and iterventions, however student movement in SEL, Academics, and attendance is
Return to Top	Determine F	Priorities	
			Resources: 💋
What	is the Student-Centered Problem that your school will address in this Pri	ority?	Determine Priorities Protocol
Students			
are not conner has led to low	cted to the school because of ineffective SEL instruction and support social and self-awareness, unsupported identity development, chronic increased negative behaviors, and low achievement.		Indicators of a Quality CIWP: Determine Priorities Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core. Priorities are informed by findings from previous and current analysis of data (qualitative
			and quantitative). For each priority, schools specify a student-centered problem (within the school's control)
			that becomes evident through each associated Reflection on Foundation. Priorities are determined by impact on students' daily experiences.
<u>Return to Top</u>	Root Ca	ause

### **Goal Setting**

Indicators of a Quality CIWP: Goal Setting

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are aptional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more). Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism.

There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

### **Performance Goals**

Resources: 💋

IL-EMPOWER Goal Requirements

For CIWP goals to fulfill IL-EMPOWER Goal Requirements For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following: -The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal -The goals within the reading, math, and any other IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

If Checked:		Our school receives school improvement funding through Title I, Part A, 1003 (II	L-Empower)				
Complete IL-Empower Section below		This CIWP serves as your School Improvement Plan, which is required for schools in school improvement status (comprehensive or targeted) as identified by the Illinois State Board of Education (ISBE). The following section, "IL-Empower," addresses grant requirements, assurances, and alignment across your CIWP, grant budget, and state designation.					
If Checked: No action needed		Our school DOES NOT receive school improvement funding through Title I, Part (Continue to Parent & Family Plan)	A, 1003 (IL-Empower).				
		IL-Empower					
	II-F	MPOWER GRANT ASSURANCES					
		ecking the boxes below, you indicate that your school understands and complies with each of the g	rant assurances listed.				
		The purpose of the IL-Empower grant funds, authorized under Title I, Part A, Section 1003 School Imp support local education agencies (LEAs), via the Statewide System of Technical Assistance and Sup, support and improvement activities or targeted support and improvement activities. The goal is to and high-quality education by providing adequate resources to substantially roise the achievement the Illinois State Board of Education (ISBE).	port (IL-EMPOWER) to serve schools i provide all children significant oppor	mplementing comp tunity to receive a	orehensive fair, equitable,		
		The purpose of the funding is to build the capacity of school leaders to implement effective school improvement status to improve student achievement and performance outcomes and to exit status		is to enable schoo	ols in		
		Funding will be used only to develop, implement and/or monitor School Improvement Plans (SIPs) / CIWPs. Grant funds may be used for the following types of planning and implementation activities: a) Paying school personnel to collaborate and to develop, implement, and monitor school improvement plans b) Contracting for professional services from State-Approved Learning Partners c) Conducting school-level needs assessments e) Identifying resource inequities f) Researching and implementing evidence-based interventions g) Purchasing standlards-aligned curriculum and materials h) Purchasing and administering local assessments for progress monitoring					
		Supplement, not supplant is in effect. Schools and LEAs shall use IL-Empower grant funds only to su be made available from state and local sources for the education of students participating in progr					
		Schools designated for comprehensive or targeted support can expect four years of continuation funding from the initial summative designation. Improvement status defines the up-to four-year term that runs concurrently with the IL-EMPOWER grant program. Status and funding begin with an initial summative designation of comprehensive or targeted and continue through the remaining part of the first year in the planning phase of the grant and are followed by three consecutive years of implementation. School Improvement funding is awarded concurrently with improvement status. Improvement status and grant funding continue concurrently for up to four years regardless of positive changes in annual summative designations because IL-EMPOWER is structured to support local efforts with scaffolded support of sufficient isse and longevity to improve outcomes for students and exit improvement status within a four-year grant term.					
		School Improvement Reports (SIR) are due on a triannual basis.					
		Schools in comprehensive improvement status must work with a State-Approved Learning Partner to address areas identified in the respective school improvement plans. Schools in targeted improvement status may or may not elect to work with a State-Approved Learning Partner. Approved Learning Partners are contracted by ISBE and are authorized to provide direct professional learning services in evidence-based practices to LEAs and comprehensive and targeted schools. Only vendors selected for an executed contract with ISBE may provide services to IL-Empower districts and schools (both comprehensive and targeted) using Title I, Part A, Section 1003 School Improvement funds, and likewise only those subcontractors included in either the executed contract or subsequent written approval by ISBE may provide services to IL-EMPOWER districts and schools.					
		As a grant recipient, you may be required to participate in program evaluation activities, site monitoring visits, and audit protocols.					
		As part of annual grant application and amendment processes, you may be asked to submit additional information regarding budget requests and alignment of budget allocations to CIWP.					
	Of th ISBE how y	MPOWER SMART GOALS e goals developed earlier in this CIWP, please choose at least 2, and up to 3, that will be your focus a designation and reference specific student groups, as applicable. As part of the annual grant appli our IL-Empower grant budgets will support the chosen goal(s).	reas for IL-Empower: These goals sh cation and amendment processes, p	ould be in alignme lease be prepared	nt with your to outline

If Checked: iomplete School & Family gagement Policy, School & mily Compact, and Parent amily Engagement Budget sections	Our school is a Title I school operating a Schoolwide Program This CWP serves as your comprehensive Title I plan, which is a federal requirement for every Title I school operating a schoolwide program. As outlined in the federal legislation, this plan must be reviewed on at least an annual basis, and it must be made available to the district, parents, and the public. The following section, Title I Schoolwide Programs and Parent Involvement, addresses the federal Title I requirements around meaningful parent and family involvement in developing and implementing Title I schoolwide programs.
If Checked: No action needed	Our school is a non-Title I school that does not receive any Title I funds. (Continue to Approval)

#### SCHOOL & FAMILY ENGAGEMENT POLICY

ESSA, Title I, Part A law requires schools to develop a parent and family policy that reflects their commitment to develop best engagement practices and maximizes meaningful consultation. Checking the boxes below indicates that your school understands and complies with each requirement listed.

- The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also hold an annual Title I PAC Organizational meeting at which 4 PAC officers are elected and monthly meeting dates are identified. The school will also offer parental and family engagement meetings, including monthly school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend.
- At the request of parents, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children.
- Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading.
- Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks.
- Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments, including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators.
- Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement.
- Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate, and work with parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members.
- Schools will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct
- other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.
- Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language.

#### SCHOOL & FAMILY COMPACT

Your school shall jointly develop, with parents, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. Checking off the statements below indicates your school will develop a compact that complies with each requirement. Compact statements will be housed at the school and shared with all parents.

- The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards.
- The school will hold parent-teacher conferences.
- The school will provide parents with frequent reports on their children's progress.
- The school will provide parents reasonable access to staff.
- The school will provide parents, as appropriate, opportunities to engage in and volunteer with school activities.
- The parents will support their children's learning
- The students will share the responsibility for improved student academic achievement by engaging in behaviors such as good attendance, positive attitude, and class preparation, among others.

#### PARENT & FAMILY ENGAGEMENT BUDGET

The overarching goal for Title I Parent & Family Engagement funds is to increase student academic achievement through parental and family engagement and supporting skills development. In the box below, identify the academic priority areas around which your parent engagement & skills development will be aligned. As a reminder, use of your funds must occur in consultation with parents.

Parent funds will be used for parent trainings. These trainsing will provide the parents with thr skills necessary to provide supports to their children.

In order to maintain compliance with the use of Title I Parent & Family Engagement funds, please review and check each box below to indicate that your school understands and complies with the requirements following. We will...

- Spend Parent & Family Engagement Funds in a timely manner (Average 10%/month)
- Collaborate with parents, prioritizing PAC officers, to decide on Title I expenditures
- Assure that funds impact the majority of parents or focus on parents with students most at academic risk
- Provide up to date monthly fund reports to PAC officers
- Maintain a binder with the original documents related to PAC meetings, presentations, fund expenditures and other evidence of collaboration
- Provide support to PAC officers including but not limited to consultation about fund usage, meeting set-up, information dissemination, and organizational support
