STAR (Moth) Practices Rubric Schools and classrooms are focused on the Inner Core (identity, community, and relationships) and leverage research-based, culturally responsive powerful practices *IAR SY23 Reading and Math data, HWES students are Partially performing higher than their pre-COVID scores. *IAR ELA and Math Performance Levels by Grade: Learning Conditions iReady (Readina) to ensure the learning environment meets the conditions that are needed for students to learn Grades 3 and 5 have the highest percentage of students who Did Not Meet Expectations in ELA with 54% and 52% respectively. Grades 3, 5, 6, and 8 have the highest percentage iReady (Math) of students who Did Not Meet Expectations in Math with 43%, 67%, 43% and 50% respectively. Our highest percentages for the "Did not meet" rating came from 5th Grade for ELA and Math. Continuum of ILT Effectiveness <u>Cultivate</u> The ILT leads instructional improvement through Distributed Partially Grades distributed leadership. *STAR 360 Reading and Math Performance by Grade: Leadership *Grades 3 and 6 have the highest percentages of students at Intervention and Urgent Intervention combined with 100% and 71% respectively in ELA and MATH. ***iReady Reading SY23:** Of the K-2 students who tested 2 Grade Levels Customized Balanced Below at BOY, only 21% remained at EOY, 63% moved to 1 Grade TS Gold sessment Plan Level Below, 20% moved to Early and Mid/Above Grade Level. School teams implement balanced assessment systems *iReady Math SY23: Of the K-2 students who tested 2 Grade Levels Below at BOY, only 15% remained at EOY, 65% moved to 1 that measure the depth and breadth of student ES Assessment Yes learning in relation t $\!$ o grade-level standards, provide actionable evidence to inform decision-making, and <u>Plan</u> Development Interim Assessment Grade Level Below, 16% moved to Early and Mid/Above Grade Data Guide monitor progress towards end of year goals. Level. HS Assessment Plan Development Assessment for What, if any, related improvement efforts are in progress? What is <u>earning</u> Reference the impact? Do any of your efforts address barriers/obstacles for our Document student groups furthest from opportunity? Our schedule has been rearranged for our 5th grade teacher to push in with our 3rd grade teacher. During this time, the fifth grade teacher will be able to see how a Skyline reading Evidence-based assessment for learning practices are Partially enacted daily in every classroom. block/guided reading is expected to look with hopes that it can be replecated in the fifth grade classroom. We hope the impact will be for our number of 5th grade red students to decrease as the school year goes on. K-2 students showed gap closing growth in Reading and Math from BOY to EOY. There is still a high percentage of students at 1 Grade Level Below in Reading and Math. The Amplify Tutor Corp program will What student-centered problems have surfaced during this reflection? continue to support 1st-5th Grades in Reading with small group, high dosage intervention during SY24. Adminstrators If this Foundation is later chosen as a priority, these are problems the school may address in this CIWP. and the ILT will consistenly support teachers with continuous learning, modeling, intervention strategies and Skyline

curriculum implementation.

Students struggle to retain information. Students do not receive high quality interventions consistently across all grade bands. Students do not receive small group instruction at their performance level across all grade levels. Inclusive & Supportive Learning

Connectedness & Wellbeing

Postsecondary

Portnerships & Engagement

eturn to **Inclusive & Supportive Learning Environment** Using the associated references, is this practice consistently References What are the takeaways after the review of metrics? Metrics implemented? HWES has an identified MTSS/BHT team which consists of the Unit/Lesson MTSS Integrity AP, the Interventionist, school counselor, school social worker, Inventory for a DL teacher, the school Dean and supportive attendance Language Objectives School teams implement an eauity-based MTSS framework that includes strong teaming, systems and structures, and implementation of the problem solving process to inform team memebers. The MTSS leadership team regularly analyzes student Tier movement in Branching Minds to determine if (School Level Data) Partially student and family engagement consistent with the expectations of the MTSS Integrity Memo. MTSS Continuum students meet/not meet are improving or not improving MTSS Continuum towards academic goals. HWE's Reading Support Delivery Fidelity is 58% for Tier2 and 75% for Tier3. Math Support Roots Survey Roots Survey Delivery is 56% for Tier2 and 39% for Tier3. Reading Tier Movement: Tier3 48% to 29%; Tier2 18% to 20%; Tier1 33% to 49%. Moth Tier Movement: Tier3 31% to 27%; Tier2 30% to 23%; MTSS Integrity ACCESS Tier1 37% to 48%. MTSS next steps is to encourage educators to use Branching Minds with fidelity to analyze multiple data MTSS Academic Tier points that will guide the problem-solving process, create <u>Movement</u> plans for students, assign interventions, set goals, and School teams create, implement, and progress monitor academic intervention plans in the Branching Minds platform progress monitor plan implementation while monitoring outcomes. Schools no longer have access to the Aspen MTSS Partially consistent with the expectations of the MTSS Integrity Memo. Module and should be utilizing the Branching Minds platform to record interventions, supports and services. Academic and <u>Annual Evaluation of</u> social-emotional supports and interventions should be Compliance (ODLSS) documented and updated within the Branchina Minds platform on an ongoing basis. Quality Indicators of LRE Dashboard What is the feedback from your stakeholders? Specially Designed Page Students receive instruction in their Least Restrictive Curriculum Environment. Staff is continually improving access to support Diverse Learners in the least restrictive environment as Yes Educators at HWES have been trained on creating Small EL Program Review indicated by their IEP. Groups and Developing Intervention Plans in Branching Tool Minds. Teachers have not been consistent with inputting intervention data for academics and SEL in Branching Minds. Teachers require further training on the BrM platform and IDEA Procedural Manual sufficient time to enter, monitor and analyze data. Educators should collect and analyze multiple measures, including screening and benchmark assessments, classroom Staff ensures students are receiving timely, high quality IEPs, assessments, observations, and attendance data to gain holistic insight into students' needs. Diagnostic and progress which are developed by the team and implemented with Partially fidelity. monitoring assessments should be used to identify specific skill gaps and monitor student progress on those gaps when targeted interventions are deemed necessary and are provided.Our school does a great job of ensuring students receive instruction in the LRE. We have to continue to improve by encouraging more collaboration amongst educators and the diverse learning team. With that collaboration, more staff EL Plocement <u>_____есотт</u> кecommendation Tool ES will be able to allocate time to developing IEPs for students who need it and staff will be able to consistently analyze IEPs. Furthermore, due to our school not having EL students, there English Learners are placed with the appropriate and aren't resources allocated. No available EL endorsed teacher to maximize required Tier I instructional services. What, if any, related improvement efforts are in progress? What is <u>EL Placement</u> <u>Recommendation</u> Tool HS the impact? Do any of your efforts address barriers/obstacles for our student groups furthest from opportunity? We will be conducting peer observations to help improve the ß teacher-teacher relationships and learning environment for the staff members. Also, we will have a new way of conducting formative assessments of where students students are at with their learning. This will allow students to let their teacher know if they understand partially, fully, or not at all. Teachers will receiving consistent training using the Branching Minds during Content Cluster Meetings. Teachers will have allocated There are language objectives (that demonstrate HOW Yes students will use language) across the content time to update plans and analyze academic as well as SEL data. What student-centered problems have surfaced during this reflection? If this Foundation is later chosen as a priority, these are problems the school may address in this CIWP. Students have not received consistent intervention supports which has led to limited Å positive Tier Movement in Reading and Math. We have noticed that older students sometimes have lower self-esteem and self-confidence that is sometimes contributing to low test scores and their ability to connect with adults to feel as though they are in a supportive learning environment.

Goal Setting

	Resources: 😰
Indicators of a Quality CIWP: Goal Setting	IL-EMPOWER Goal Requirements
Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).	For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:
Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).	-The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal
Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism.	-The goals within the reading, math, and any other
There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.	IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the student groups named in the designation within the goals
Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.	above and any other IL-EMPOWER goals
Schools designated as Comprehensive or Targeted Support by ISBE meet specified II -FMPOWER goal requirements.

If Checked: Complete School & Family gagement Policy, School & mily Compact, and Parent amily Engagement Budget sections	Our school is a Title I school operating a Schoolwide Program This CIWP serves as your comprehensive Title I plan, which is a federal requirement for every Title I school operating a schoolwide program. As outlined in the federal legislation, this plan must be reviewed on at least an annual basis, and it must be made available to the district, parents, and the public. The following section, Title I Schoolwide Programs and Parent Involvement, 'addresses the federal Title I requirements around meaningful parent and family involvement in developing and implementing Title I schoolwide programs.
If Checked: No action needed	Our school is a non-Title I school that does not receive any Title I funds. (Continue to Approval)

SCHOOL & FAMILY ENGAGEMENT POLICY

ESSA, Title I, Part A law requires schools to develop a parent and family policy that reflects their commitment to develop best engagement practices and maximizes meaningful consultation. Checking the boxes below indicates that your school understands and complies with each requirement listed.

- The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also hold an annual Title IPAC Organizational meeting at which 4 PAC officers are elected and monthly meeting dates are identified. The school will also hold and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend.
- At the request of parents, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children.
- Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading.
- Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks.
- Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments, including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators.
- Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement.
- Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate, and work with parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members.
- Schools will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct
- other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.
- Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language.

SCHOOL & FAMILY COMPACT

Your school shall jointly develop, with parents, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. Checking off the statements below indicates your school will develop a compact that complies with each requirement. Compact statements will be housed at the school and shared with all parents.

- The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards.
- The school will hold parent-teacher conferences.
- The school will provide parents with frequent reports on their children's progress.
- The school will provide parents reasonable access to staff.
- The school will provide parents, as appropriate, opportunities to engage in and volunteer with school activities.
- The parents will support their children's learning
- The students will share the responsibility for improved student academic achievement by engaging in behaviors such as good attendance, positive attitude, and class preparation, among others.

PARENT & FAMILY ENGAGEMENT BUDGET

The overarching goal for Title I Parent & Family Engagement funds is to increase student academic achievement through parental and family engagement and supporting skills development. In the box below, identify the academic priority areas around which your parent engagement & skills development will be aligned. As a reminder, use of your funds must occur in consultation with parents.

This year our academic priority area of focus for families will be Connectedness and Wellbeing. We will work with our families to continue to built the family school connection. This year we will also develop strategies to strengthen our families capcity to encage in SEL practices at home. Title I Budget: \$2076

In order to maintain compliance with the use of Title I Parent & Family Engagement funds, please review and check each box below to indicate that your school understands and complies with the requirements following. We will...

- Spend Parent & Family Engagement Funds in a timely manner (Average 10%/month)
- Collaborate with parents, prioritizing PAC officers, to decide on Title I expenditures
- Assure that funds impact the majority of parents or focus on parents with students most at academic risk
- Provide up to date monthly fund reports to PAC officers
- Maintain a binder with the original documents related to PAC meetings, presentations, fund expenditures and other evidence of collaboration
- Provide support to PAC officers including but not limited to consultation about fund usage, meeting set-up, information dissemination, and organizational support
