### **CIWP Team & Schedules**

Indicators of Quality CIWP: CIWP Team

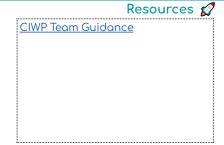

The CIWP team includes staff reflecting the diversity of student demographics and school programs.

The CIWP team has 8-12 members. Sound rationale is provided if team size is smaller or larger.

The CIWP team includes leaders who are responsible for implementing Foundations, those with institutional memory and those most impacted.

The CIWP team includes parents, community members, and LSC members.

All CIWP team members are meaningfully involved in the planning process for CIWP components and include other stakeholders, as appropriate for their role, with involvement along the <u>CPS Spectrum of Inclusive Partnerships</u> (from the CPS Equity Framework).

### Indicators of a Quality CIWP: Reflection on Foundations

Schools reflect by triangulating various data sources, inclusive of quantitative and qualitative data, and disaggregated by student groups.

Reflections can be supported by available and relevant evidence and accurately represent the school's implementation of practices.

Stakeholders are consulted for the Reflection of Foundations.

Schools consider the impact of current ongoing efforts in the Reflection on Foundation.

Resources 💋 Reflection on Foundations Protocol

#### **Goal Setting** Return to Top

#### Indicators of a Quality CIWP: Goal Setting

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism. There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

# Resources: 💋

#### IL-EMPOWER Goal Requirements

For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following: -The CIWP includes a reading Performance goal

-The CIWP includes a math Performance goal

-The goals within the reading, math, and any other IL-EMPOWER goals include numerical targets

-Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

#### **Performance Goals**

Yes

Yes

expectations of the MTSS Integrity Memo.

#### **Reflection on Foundation**

#### Using the associated documents, is this practice consistently implemented?

#### School teams implement an equity-based MTSS framework that includes strong teaming, systems and structures, and implementation of the problem **Partially** solving process to inform student and family engagement consistent with the expectations of the MTSS Integrity Memo. School teams create, implement, and progress monitor academic **Partially** intervention plans in the Branching Minds platform consistent with the

### What are the takeaways after the review of metrics?

Attendance drives instruction. Increase our attendance rate to 70%. Instruction should be informed through STAR Scores. Implementing instruction designed to identify and address the specific Reading and Math skill gaps for each student. STAR target groups below a Grade 6 at

# Students receive instruction in their Least Restrictive Environment. Staff is continually improving access to support Diverse Learners in the least restrictive environment as indicated by their IEP.

#### Staff ensures students are receiving timely, high quality IEPs, which are developed by the team and implemented with fidelity.

Partially	English Learners are placed with the appropriate and available EL endorsed teacher to maximize required Tier I instructional services.

#### There are language objectives (that demonstrate HOW students will **Partially** use language) across the content.

#### What is the feedback from your stakeholders?

CPS best practices do not neccessarily align with serving YCCS Campos students. Point of pride as a staff include trauma paced healing centered framework, everybody is on board with understanding that "every student has a story". Parent student family engagement as a priority and to celebrate the accomplishments of their young people. World class education opens doors of opportunity for our students. It gives them the keys to use for success in their future. We can provide more opportunities in and outside of school, partnering with other schools, partnering with community members, family and outside resources involved. We can build on student passions to give students options of how they can work in their passion successfully. We do/can work to provide navigation tools for not only survival but for a thriving lifestyle.

### What student-centered problems have surfaced during this reflection?

Students should build capacity around agency and self-advocacy as well as needing access to bilingual supports, differentiated instruction, tiered instruction, and diverse learner support.

#### What, if any, related improvement efforts are in progress? What is the impact? Do any of our efforts address barriers/obstacles for our student groups furthest from opportunity?

- 1) The related improvement efforts in progress are embedded within the components of the YCCS 3+1 model: CBE framework to graduation and personalized learning options, student pathway to success (Application of Learning), Rtl Resource (Interventions for Struggling Students), and Post-secondary Readiness.
- 2) The impact will result in a 3-5 % attendance growth, 3-5 % reduction in suspensions, 3-5 % increase in graduation rate and credit attainment, and a 2-4 % decrease in student disengagement and barrier reduction.
- 3) YCCS Campos is the intervention for 100% of our students who are the furthest from opportunity, therefore we focus on the use of school-wide alternative school strategies and tiered interventions for diverse, high-risk, and at-risk learners, with an emphasis on: a) Improving literacy and numeracy
- b) Instructional Interventions and learning supports
- c) Social and emotional learning

**Determine Priorities** Return to Top

What is the Student-Centered Problem that your school will address in this Priority?

**Determine Priorities Protocol** 

Students...

upon entry, are reading at the 4th grade level.

# Indicators of a Quality CIWP: Determine Priorities

Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core.

Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative).

For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation. Priorities are determined by impact on students' daily experiences.

**Root Cause** Return to Top

Resources: x

What is the Root Cause of the identified Student-Centered Problem?

As adults in the building, we...

will utlize YCCS best practices that address skills gaps targeting students that are reading below grade level as indicated on that STAR asssessment incluing SPED, GenEd snd ELL.

# Indicators of a Quality CIWP: Root Cause Analysis

Each root cause analysis engages students, teachers, and other stakeholders closest to each priority, if they are not already represented by members of the CIWP team. The root cause is based on evidence found when examining the student-centered problem.

Root causes are specific statements about adult practice.

Root causes are within the school's control.

5 Why's Root Cause Protocol

**Theory of Action** Return to Top

What is your Theory of Action?

Resources: 💋

Jump to... **Priority** Reflection Root Cause Implementation Plan Monitoring

Select the Priority Foundation to pull over your Reflections here =>

# **Inclusive & Supportive Learning Environment**

Indicators of a Quality CIWP: Theory of Action

Theory of Action is grounded in research or evidence based practices.

Theory of Action is an impactful strategy that counters the associated root cause.

Theories of action explicitly aim to improve the experiences of student groups, identified then we see... in the Goals section, in order to achieve the goals for selected metrics.

> Theory of Action is written as an "If we... (x, y, and/or z strategy), then we see... (desired staff/student practices), which results in... (goals)"

All major resources necessary for implementation (people, time, money, materials) are considered to write a feasible Theory of Action.

readers

an increase on the students STAR grade equivelant and SGP scores

which leads to...

Principal

an increase in academic achievement (credit attainment) in core curriculum courses and a reduction in the number of students not meeting proficiency as measured.

use STAR academic intervention strategies including MyOn and FRECKLE (ELA) for struggling

**Implementation Plan** Return to Top

Resources: 💋

Indicators of a Quality CIWP: Implementation Planning

Implementation Plan Milestones, collectively, are comprehensive to implementing their respective Theories of Action and are written as SMART goals. The number of milestones and action steps per milestone should be impactful and feasible.

Implementation Plan identifies team/person responsible for implementation management, monitoring frequency, scheduled progress checks with CIWP Team, and data used to report progress of implementation.

Implementation Plan development engages the stakeholders closest to the priority, even if they are not already represented by members of the CIWP team.

Action steps reflect a comprehensive set of specific actions which are relevant to the strategy for at least 1 year out. Action steps are inclusive of stakeholder groups and priority student groups.

Team/Individual Responsible for Implementation Plan

Action steps have relevant owners identified and achievable timelines.

Monitoring

#### Indicators of a Quality CIWP: Goal Setting

Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).

Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).

Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism. There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.

Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.

Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.

# Resources: 💋

#### **IL-EMPOWER Goal Requirements**

For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:

-The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal -The goals within the reading, math, and any other

IL-EMPOWER goals include numerical targets

-Schools designated as Targeted Support identify the student groups named in the designation within the goals above and any other IL-EMPOWER goals

#### **Performance Goals**

#### **Parent and Family Plan**

If Checked:	<b>~</b>	Our school is a Title I school operating a Schoolwide Program
Complete School & Family Engagement Policy, School & Family Compact, and Parent & Family Engagement Budget sections		This CIWP serves as your comprehensive Title I plan, which is a federal requirement for every Title I school operating a schoolwide program. As outlined in the federal legislation, this plan must be reviewed on at least an annual basis, and it must be made available to the district, parents, and the public. The following section, "Title I Schoolwide Programs and Parent Involvement," addresses the federal Title I requirements around meaningful parent and family involvement in developing and implementing Title I schoolwide programs.
If Checked:		Our school is a non-Title I school that does not receive any Title I funds. (Continue to Approval)

#### SCHOOL & FAMILY ENGAGEMENT POLICY

ESSA, Title I, Part A law requires schools to develop a parent and family policy that reflects their commitment to develop best engagement practices and maximizes meaningful consultation. Checking the boxes below indicates that your school understands and complies with each requirement listed.

- The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also hold an annual Title I PAC Organizational meeting at which 4 PAC officers are elected and monthly meeting dates are identified. The school will also offer parental and family engagement meetings, including monthly school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend.
- At the request of parents, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children.
- $\overline{}$ Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading.
- Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at  $\overline{}$
- Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments, including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators.  $\checkmark$
- Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement.
- Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate, and work with parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members.
- Schools will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.
  - Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language.

#### SCHOOL & FAMILY COMPACT

Your school shall jointly develop, with parents, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. Checking off the statements below indicates your school will develop a compact that complies with each requirement. Compact statements will be housed at the school and shared with all parents.

- The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards.
- The school will hold parent-teacher conferences.
- The school will provide parents with frequent reports on their children's progress.
- $\checkmark$ The school will provide parents reasonable access to staff.
  - The school will provide parents, as appropriate, opportunities to engage in and volunteer with school activities.
- The parents will support their children's learning.
- The students will share the responsibility for improved student academic achievement by engaging in behaviors such as good attendance, positive attitude, and class preparation, among others.

# PARENT & FAMILY ENGAGEMENT BUDGET

The overarching goal for Title I Parent & Family Engagement funds is to increase student academic achievement through parental and family engagement and supporting skills development. In the box below, identify the academic priority areas around which your parent engagement & skills development will be aligned. As a reminder, use of your funds must occur in consultation with parents.

Dr. Pedro Albizu Campos Puerto Rican High School's mission is to provide a quality educational experience needed to empower students to engage in critical thinking and social transformation, from the classroom to the Puerto Rican community, based on the philosophical foundation of self-determination, a methodology of self-actualization and an ethics of

Parent-teacher conferences are scheduled as needed and during Parent Academies: 9/24, 11/18, 12/2, 2/24, 4/21, 5/5, 6/15

Progress reports are distributed during Parent Academies throughout the year.
Staff is available, when appropriate, early morning before classes begin and after school hours, as needed. In addition, parents and staff may communicate via email and phone calls. Classrooms are always open and available to parents. Teachers communicate with parents when volunteers are needed or when special projects are scheduled in order solicit parent classroom involvement. The school may announce special classroom activities or a need for volunteers during Parent Academies. Classrooms are always open and available to parents. Teachers communicate with parents when volunteers are needed or when special projects are scheduled in order solicit parent classroom involvement. The school may announce special classroom activities or a need for volunteers during Parent Academies.

In order to maintain compliance with the use of Title I Parent & Family Engagement funds, please review and check each box below to indicate that your school understands and complies with the requirements following. We will...

- Spend Parent & Family Engagement Funds in a timely manner (Average 10%/month)
  - Collaborate with parents, prioritizing PAC officers, to decide on Title I expenditures
- Assure that funds impact the majority of parents or focus on parents with students most at academic risk
- Provide up to date monthly fund reports to PAC officers
- Maintain a binder with the original documents related to PAC meetings, presentations, fund expenditures and other evidence of collaboration
- Provide support to PAC officers including but not limited to consultation about fund usage, meeting set-up, information dissemination, and organizational support
