Universal teaming structures are in place to support student connectedness and wellbeing, including a Behavioral Health Team and Climate and Culture Team.

SEL Teaming <u>Structure</u>

What are the takeaways after the review of metrics?

## Metrics

Student Barrier Survey responses indicate concerns about safety where the students live, transportation issues and family concerns. Sullivan House uses many incentives to increase attendance at school as relected in the 81.45 attendance rate and 73.5% attendance growth.

<u>% of Students</u> receiving Tier 2/3 interventions meeting <u>targets</u>

Reduction in OSS per 100

Reduction in repeated disruptive behaviors (4-6 SCC)

Student experience Tier 1 Healing Centered supports, including SEL curricula, Skyline integrated SEL instruction, and restorative practices.

All students have equitable access to student-centered enrichment and out-of-school-time programs that effectively complement and supplement student learning during the school day and are responsive to other student interests and needs.

#### What is the feedback from your stakeholders?

CPS best prcatices do not neccessarily align with serving Sullivan House students. Therefore many of the the practices  $\checkmark$ aren't applicable to our population, according to our trend data around skills gaps, truancy and credit attainment---stakeholders; feedback trends across specific stakeholder groups)

# **Goal Setting**

	Resources: 🗭
Indicators of a Quality CIWP: Goal Setting	IL-EMPOWER Goal Requirements
Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).	For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:
Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).	-The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal
Goals seek to address priorities and opportunity gaps by embracing the principles of Targeted Universalism.	-The goals within the reading, math, and any other
There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.	IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the student groups named in the designation within the goals
Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.	above and any other IL-EMPOWER goals
Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.	

## **Performance Goals**

					Numerical	Targets [Optio	onal] 🔏
Specify the Goal 🛛 🖄	Can this metric be frequently monitored?	Metric	Student Groups (Select 1-2)	Baseline 🖄	SY24	SY25	SY26

Using the	e associated documents, is this practice consistently implemented?	What are the takeaways after the review of metrics?
Yes	School teams implement an equity-based MTSS framework that includes strong teaming, systems and structures, and implementation of the probler solving process to inform student and family engagement consistent with the expectations of the MTSS Integrity Memo.	frequency of instruction for students based on their skill gaps in literacy and math. We recognize the need to widen the use of instruction to help students apply reading comprehension strategies to develop content literacy skills and to increase the breadth and
Yes	School teams create, implement, and progress monitor academic intervention plans in the Branching Minds platform consistent with the expectations of the MTSS Integrity Memo.	<ul> <li>depth of vocabulary knowledge.</li> <li>We will also:</li> <li>Utilize STAR assessment scaled score for learning progression.</li> <li>Provide intervention based on skills students have not yet mastered.</li> <li>Access Data and Plan Instruction Using the STAR Record Book.</li> <li>Set-up students individualized lessons plans according to skills and schedules.</li> <li>Progress monitor and record mastery of student progress.</li> </ul>
Yes	Students receive instruction in their Least Restrictive Environment. Staff is continually improving access to support Diverse Learners in the least restrictive environment as indicated by their IEP.	<ul> <li>Progress monitor with an intense focus on instruction in both word-level and comprehension skills to meet the diverse needs of students who continue to struggle with reading at the middle and early high school levels.</li> <li>Provide instruction in both word-level and comprehension skills to meet the diverse needs of students who continue to struggle with reading at the late-elementary level (Tier 3 Reading Strategy)</li> </ul>
Yes	Staff ensures students are receiving timely, high quality IEPs, which are developed by the team and implemented with fidelity.	What is the feedback from your stakeholders?
Yes	English Learners are placed with the appropriate and available EL endorsed teacher to maximize required Tier I instructional services.	CPS best preatices do not necessarily align with serving Sullivan House students. Therefore many of the the practices aren't applicable to our population, according to our trend data around skills gaps, truancy and credit attainmentstakeholders; feedback trends across specific stakeholder groups
Yes	There are language objectives (that demonstrate HOW students will use language) across the content.	
Wha	t student-centered problems have surfaced during this reflection?	What, if any, related improvement efforts are in progress? What is the impact? Do any of ou efforts address barriers/obstacles for our student groups furthest from opportunity?
ading and	Math below 4th grade - Pre and Post	" 1) The related improvement efforts in progress are embedded within the components of the YCCS 3+1 model: CBE framework to graduation and personalized learning options, student pathway to success (Application of Learning), Rtl Resource (Interventions for Struggling Students), and Post-secondary Readiness.
		2) The impact will result in a 3-5 % attendance growth, 3-5 % reduction in suspensions, 3-5 % increase in graduation rate and credit attainment, and a 2-4 % decrease in student disengagement and barrier reduction.
		<ul> <li>3) Yes, Sullivan House is the intervention for 100% of our students who are the furthest from opportunity, therefore we focus on the use of school-wide alternative school strategies and tiered interventions for diverse, high-risk, and at-risk learners, with an emphasis on:</li> <li>a) Improving literacy and numeracy</li> <li>b) Instructional Interventions and learning supports</li> <li>c) Social and emotional learning</li> </ul>
turn to Top	Determine	" Priorities
	t is the Student-Centered Problem that your school will address in this Pr	Resources: 🜠
<b>tudents</b> on entry, c	are reading at the 4th grade level.	Indicators of a Quality CIWP: Determine Priorities
		Schools determine a minimum of 2 Foundations to prioritize, with at least one being within the Instructional Core. Priorities are informed by findings from previous and current analysis of data (qualitative and quantitative). For each priority, schools specify a student-centered problem (within the school's control) that becomes evident through each associated Reflection on Foundation.
		Priorities are determined by impact on students' daily experiences.
		Resources: 💋
	What is the Root Cause of the identified Student-Centered Problen	n? <u>5 Why's Root Cause Protocol</u>

# **Goal Setting**

	Resources: 💋
Indicators of a Quality CIWP: Goal Setting	IL-EMPOWER Goal Requirements
Each priority has both Practice Goals & Performance Goals reflecting end-of-year outcomes (numerical targets are optional and based on on applicable baselines and trend data).	For CIWP goals to fulfill IL-EMPOWER requirements, please ensure the following:
Practice Goals, and at least 1 Performance Goal per priority, can be frequently monitored (reported 3X/year or more).	-The CIWP includes a reading Performance goal -The CIWP includes a math Performance goal
Goals seek to address priorities and opportunity gaps by embracing the principles of <u>Targeted Universalism</u> .	-The goals within the reading, math, and any other
There is consensus across the team(s) responsible for meeting the goals that the goals are ambitious and attainable based on anticipated strategies and unique school contexts.	IL-EMPOWER goals include numerical targets -Schools designated as Targeted Support identify the student groups named in the designation within the goal
Goals are reviewed and adjusted with most-current data sources, including MOY and EOY.	above and any other IL-EMPOWER goals
Schools designated as Comprehensive or Targeted Support by ISBE meet specified IL-EMPOWER goal requirements.	

## **Performance Goals**

**Parent and Family Plan** If Checked:  $\checkmark$ Our school is a Title I school operating a Schoolwide Program This CIWP serves as your comprehensive Title I plan, which is a federal requirement for every Title I school operating a schoolwide program. As outlined in Complete School & Family the federal legislation, this plan must be reviewed on at least an annual basis, and it must be made available to the district, parents, and the public. The following section, "Title I Schoolwide Programs and Parent Involvement," addresses the federal Title I requirements around meaningful parent and family Engagement Policy, School & Family Compact, and Parent involvement in developing and implementing Title I schoolwide programs. & Family Engagement Budget sections If Checked: Our school is a non-Title I school that does not receive any Title I funds. (Continue to Approval) No action needed

#### SCHOOL & FAMILY ENGAGEMENT POLICY

ESSA, Title I, Part A law requires schools to develop a parent and family policy that reflects their commitment to develop best engagement practices and maximizes meaningful consultation. Checking the boxes below indicates that your school understands and complies with each requirement listed.

- The school will hold an annual meeting at a time convenient to parents and families during the first month of school to inform them of the school's participation in ESSA, Title I programs and to explain the Title I requirements and their right to be involved in the Title I programs. The school will also hold an annual Title I PAC Organizational meeting at which 4 PAC officers are elected and monthly meeting dates are identified. The school will also offer parental and family engagement meetings, including monthly school PAC meetings, at different times and will invite all parents and key family members of children participating in the ESSA, Title I program to these meetings, and encourage them to attend.
- At the request of parents, schools will provide opportunities for regular meetings, including the School Parent Advisory Council meetings, for parents and family members to formulate suggestions and to participate, as appropriate, in decisions about the education of their children.
- Schools will provide parents a report of their child's performance on the State assessment in at least math, language arts and reading
- Schools will provide parents timely notice when their child has been assigned to, or taught by, a teacher who is not "highly qualified," as defined in the Title I Final Regulations, for at least four (4) consecutive weeks.
- Schools will assist parents of participating ESSA Title I children in understanding: the state's academic content standards; the state's student academic achievement standards; the state and local academic assessments, including alternate assessments; the requirements of Title I, Part A; how to monitor their child's progress; and how to work with educators.
- Schools will provide information, resources, materials and training, including literacy training and technology, as appropriate, to assist parents and family members in working with their children to improve their academic achievement, and to encourage increased parental involvement.
- Schools will educate all staff in the value and utility of contributions by parents and family and in how to reach out to, communicate, and work with parents and family as equal partners in the education of their children and in how to implement and coordinate parent and family programs and build ties with parents and family members.
- Schools will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.
- Schools will ensure that information related to the school and parent and family programs, meetings, and other activities is sent to parents in understandable and uniform formats, including language.

#### SCHOOL & FAMILY COMPACT

Your school shall jointly develop, with parents, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. Checking off the statements below indicates your school will develop a compact that complies with each requirement. Compact statements will be housed at the school and shared with all parents.

- The school will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating student to meet the State's student academic achievement standards.
- The school will hold parent-teacher conferences.
- The school will provide parents with frequent reports on their children's progress.
- The school will provide parents reasonable access to staff.
- The school will provide parents, as appropriate, opportunities to engage in and volunteer with school activities.
- The parents will support their children's learning.
- The students will share the responsibility for improved student academic achievement by engaging in behaviors such as good attendance, positive attitude, and class preparation, among others.

#### PARENT & FAMILY ENGAGEMENT BUDGET

The overarching goal for Title I Parent & Family Engagement funds is to increase student academic achievement through parental and family engagement and supporting skills development. In the box below, identify the academic priority areas around which your parent engagement & skills development will be aligned. As a reminder, use of your funds must occur in consultation with parents.

Funds will be use for postage to mail out flyers, current research related to education and learning, calendars and student internship possibilities as requested at the Parent and Family Engagement Meetings. In addition funds will be spent on books related to technology / computers to assist parents while working with students doing homework or research in their home.

In order to maintain compliance with the use of Title I Parent & Family Engagement funds, please review and check each box below to indicate that your school understands and complies with the requirements following. We will...

- Spend Parent & Family Engagement Funds in a timely manner (Average 10%/month)
- Collaborate with parents, prioritizing PAC officers, to decide on Title I expenditures
- ${igstyle V}$  Assure that funds impact the majority of parents or focus on parents with students most at academic risk
- Provide up to date monthly fund reports to PAC officers
- Maintain a binder with the original documents related to PAC meetings, presentations, fund expenditures and other evidence of collaboration
- 🗹 🛛 Provide support to PAC officers including but not limited to consultation about fund usage, meeting set-up, information dissemination, and organizational support
