Mission Statement as of May 2013

At McAuliffe School in collaboration with parents and community, seeks to provide a safe and learning environment with established structures in place to promote strong character development and high academic expectations.

School Priorities as of May 2013

Description	Rationale
Provide targeted reading instruction to K-6th students at the current student's reading level in small group.	Our students in K-6 read below grade level. By providing targeted reading instruction to construct meaning from text, across the curriculum as measured by selected system-wide assessments and selected local assessments.
Effective Math instruction to enable students improve problem solving performance in mathematics.	We have the need to foster student's ability to understand the problem, apply appropriate problem solving strategies, and interpret and communicate the results, across the curriculum as measured by selected system-wide and local assessments.
Promote the development of responsible and respectful citizens, PreK-6, who become productive and responsible citizens in our society.	We want to increase positive student behavior as well as a safe and positive community. With a rate of 14.2% of misconducts including suspensions we will need to implement a positive behavior program such PBIS to decreases the reported discipline incidents and provide teacher support in the classroom and school-wide staff.
