**Mission Statement as of May 2013**

Our mission is to promote a rigorous curriculum, developing college and career ready skills with a with a strong emphasis on fine arts within a broad multicultural environment sensitive to diversity.

**School Priorities as of May 2013**

| Description   | Rationale   |
|---|---|
| Teachers deliver common core aligned literacy instruction, supported by Bloom's and Hess' Depth of Knowledge. | North River needs to implement a rigorous curriculum as we have below 50% of our students at or above grade-level, as measured on Scantron/Dibels for all grades.                                     |
| Teachers will use the Common Core aligned, math practices emphasizing real-world connections.                 | North River needs to implement a rigorous math curriculum as we have below 50% of our students at or above grade-level, as measured on Scantron for 3rd - 8th grades.                                 |
| Teachers will effectively use curriculum mapping that will include our fine arts program.                     | In line with North River's mission and supported by teachers, students and parents, North River will expand the provision of a fine arts curriculum with current NRS partners (e.g., Joffrey Ballet). |
