Mission Statement as of May 2013

The mission of Nicholas Senn High School is to develop life long learners, who value diversity and social-awareness, and who possess the critical thinking, creative, and technological skills to active and responsible citizens. To achieve this mission, faculty, staff, and the community will engage in developing and implementing a rigorous, college and career readiness, internationally-minded curriculum by participating in professional learning communities focused upon increasing academic achievement for all and closing achievement gaps, especially ELL students. The MYP curriculum will be expanded across Grades 9 - 10 using IB best practices, strategies, and key program components. IB certificate options will be accessible to all students. Additionally, Senn will reconnect and re-dedicate itself to neighborhood families, while maintaining magnet programs. We will provide a menu of program options to ensure that every student knows they are part of a valued Senn program, and they, in turn, are valued by the program. Programs include MYP/IB, Senn magnet Fine Arts, AVID, and the Senn Learning Community.

School Priorities as of May 2013

Description	Rationale
Increase the rigor and relevancy of a CCSS aligned curriculum to result in EPAS gain per student per year, including ELL and special needs populations	Only around 50% of students are currently making expected gains. Literacy and language acquisition needs are particularly affecting overall gain. Little differentiation has been observed in instructional delivery.
Implement plan to convert Senn into a 'wall to wall' IB school.	IB curriculum across full 9th and 10th grade cohorts will result in higher on-track and graduation rates through an increase in rigor and relevancy of curriculum.
Increase neighborhood seats in IB, Senn Magnet Arts, and Senn Learning Communities	The student population is comprised of less than 50% community students. The community has indicated a desire for these programs to better serve the neighborhood families, as indicated in SEF 5: Family and Community Engagement

Programs & Services

Advanced Placement Courses	English Language & Composition, English Literature & Composition, US Government & Politics, US History, Biology, Spanish Language
College and Career	ACT/SAT Prep Courses, College Tours
CTE: Citywide	C.P.F.T.A.
CTE: Other	No
