346	1,968	18%		

School Type	Grades Served	Performance Rating	Space Use Status	Adjusted Space Use Status
Neighborhood	9-12	Level 3	Underutilized	

Mission Statement as of May 2013

To empower all to achieve their personal, civic, and professional goals in a safe, supportive community.

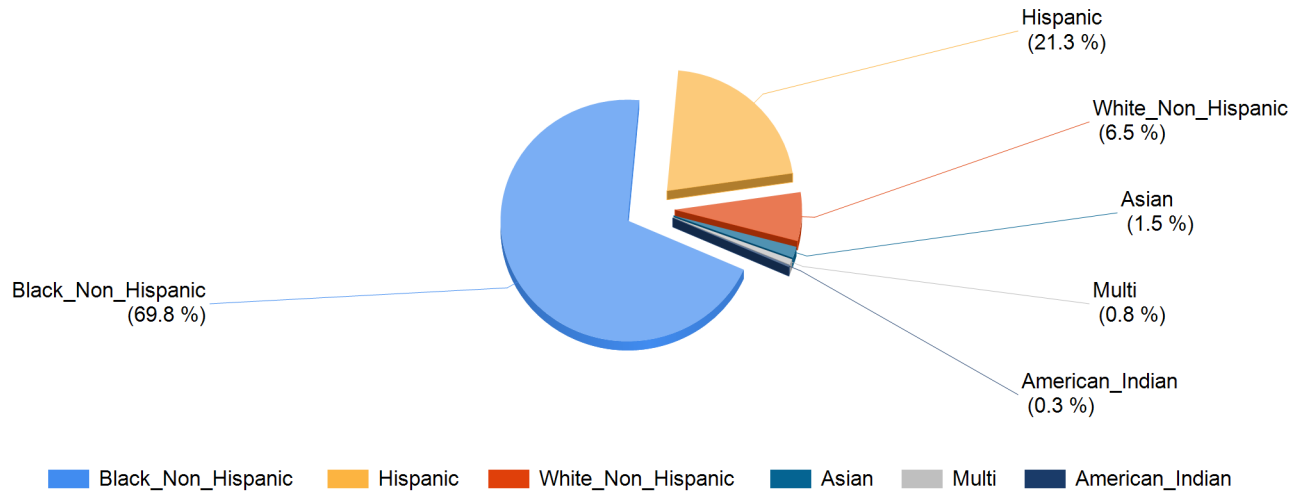

School Priorities as of May 2013

Description	Rationale
Develop and implement professional learning community groups where teachers and teachers leaders create common assessments (including performance tasks based on standards) and rigorous learning experiences for students.	When teachers work collaborately to create assessments and learning modules that engage students in rigorous learning, students achieve better results. The intention is to use a coaching cycle that allows teachers to receive on-going professional support to improve instructional practices.
Further implement the common core standards and interventions (including RTI) for students who need additional support in specific skill development, as identified by assessment data.	To ensure individual growth and academic achievement as evidenced by meeting and exceeding expected growth.
Restorative Justice practices will ensure students repair the harm that has been done to fellow students, staff or school property.	Decrease school wide misconducts, in particular, level 4-6 misconducts. The restorative practices build a culture of student voice and will ensure a decrease in recidivism for misconducts.
Use school wide incentives, and interventions to ensure all students come to school by differentiate student attendance rates so that all students have an attendance plan for each year.	Increase School Wide Attendance Rates.

Programs & Services

Advanced Placement Courses	Studio Art-2D Design, English Language & Composition, English Literature & Composition, US History
