APPENDIX C: Security Officer Position Description

BCCS – Security Officer

Start Date: July 2014

Location: Chicago, IL

Be the Change Charter School Description

BCCS is a K-8 school community of teachers, families and students from diverse backgrounds and experiences who will learn how to work with each other in **peaceful** and equitable ways, discover their **voice** and the voices of others, and embrace their roles as **active** citizens of the world. Through a rigorous interdisciplinary learning approach, BCCS will graduate young people who are empathetic, resilient, and curious advocates, who will be empowered to make choices in their future academic and life endeavors. BCCS's interdisciplinary approach to teaching and learning engages students in study of real-world problems and questions through the lens of multiple disciplines, the integration of which leads to new insights and deeper knowledge. We believe an interdisciplinary approach reflects the true complexity of issues; as Carole Palmer writes, "The real-world research problems that scientists address rarely arise within orderly disciplinary categories, and neither do their solutions."

Role Description

The Security Officer maintains security and safety of the people and property on the BCCS campus by patrolling areas on foot, using monitoring devices, and working with BCCS staff to enforce BCCS rules and regulations. If a serious crime is committed, the Position will generally need to call in a higher authority for an arrest to be made. The Security Officer is also responsible for making sure that laws are being followed, such as smoking regulations and preventing truancy. Basic duties require good communication skills, including assisting others in the workplace; patrol and monitor of assigned areas; maintaining order, safety and security; assuring student compliance with school and district policies and regulations. These duties are done with respect for the student and the principles of BCCS.

Qualifications and Characteristics

- A high school diploma required; an associate's degree in criminal justice preferred.
- One year experience in police or security field; OR, Any equivalent combination of experience and/or education from which comparable knowledge, skills and abilities have been achieved.
- Knowledge of basic security and fire inspection procedures.
- Skill in both verbal and written communication.
- Skill in observing situations and decision making.
- Skill in dealing courteously with public.

Responsibilities

- Perform a variety of complex and basic duties requiring good communication skills, including assisting others in the workplace; patrol and monitor of assigned areas; maintaining order, safety and security; assuring student compliance with school and District policies and regulations.
- Unlock doors and school facilities;
- Monitor lunch areas, walkways, restrooms and parking lots;
- Observe students during passing periods between classes, lunch and break periods; and assure timely return of students to class.
- Respond to calls regarding classroom disturbances, behavior problems or related situations; escort students to office for disciplinary action; and prepare incident reports.
- Utilize good communication skills to prevent student conflicts and fights according to established guidelines and intervene as necessary; advise students of consequences if rules are violated.

APPENDIX C: Security Officer Position Description

- Enforce school and District rules, regulations and policies for the safety and security of students, staff and property;
- Report unusual activities or unauthorized persons on campus to appropriate personnel.
- Prevent illegal parking and loitering on school grounds according to established procedures;
- Check vehicles for appropriate parking stickers.
- Assist in the investigation of illegal activities; search backpacks, cars and lockers for alcohol, weapons, drugs, drug paraphernalia and related items according to established procedures and district policies.
- Maintain positive relationships with students, parents, staff, and community; communicate with students and staff to provide and receive information regarding school activities.
- Operate a two-way radio to communicate with school office and other security personnel and supports.
- Administer first aid as necessary; prepare related reports.
- Patrol assigned areas on foot, checking for fires, vandalism, suspicious activity or persons or safety/fire hazards.
- Investigate and/or reports hazards, unusual or suspicious circumstances to campus police unit for correction or follow-up actions; maintains contact with campus police.
- Check doors and windows of buildings to ensure they are tightly closed and locked; notes in written log any unlocked doors/windows; submits information to supervisor.
- Observe activity and traffic in assigned area to enforce university rules/regulations; alerts visitors of infractions.
- Assist any persons in building or on grounds needing directions or campus information.
- Escort people/property to desired destination when monies, documents or safety of property or persons are a concern.
- Respond to alarms and dispatched calls; decides what actions to take based on situation, facts known and position limitations.
- Decide when incident requires written report; decides which report form to use and submits to supervisor.
- Unlock buildings/doors after checking identification and compliance with university policies.
- May assist law enforcement officers with crowd control and surveillance at large public events.
- Responsible for running the required fire drills during each school year.
- Participate on Safety and Security Committees as required.
- Maintain familiarity and involvement with safety and security policies as they are developed and implemented.
- Maintain a relationship with local law enforcement
