

# INTENT TO ENROLL FORM

## 2018-2019 SCHOOL YEAR

We are working closely with parents who intend to enroll their students to ensure that the school reflects the needs and desires of the community we serve. Community support and involvement are key to building great schools that our children can rely on for years to come! If your child will be ready to go into K-5 for the 2018-2019 academic school year, please take a moment and fill out the form below. We will follow up to confirm the details and let you know how you and your family can get involved.
