Dear President Clark, Esteemed Members of the Board, and Dr. Janice Jackson:

This letter serves as my unyielding support for Intrinsic Schools' second campus, to be located in a more central location, including a potential downtown Chicago location. Intrinsic has been serving Chicago Public School students for over 5 years now, and they have impressive results and an unwavering commitment to make Chicago a better place.

As a resident in the City of Chicago, I know firsthand the obstacles our students face daily. It is my belief that Intrinsic Schools meet students' needs, and their personalized learning model helps tap into a child's full potential, offering the education our students need.

Intrinsic Schools has a strong track record of life-changing outcomes for students and families, and having a downtown campus will allow Intrinsic to serve students from across all of Chicago, including the children from my community whom I would encourage to apply and attend.

\*Additional Comments\*

Downtown belongs to every Chicagoan, and as such, we should applaud the entire Intrinsic team for making a school available to all Chicago students, in an accessible location.

I offer my sincere support in recommending that Intrinsic's new proposal be approved, so that Intrinsic Schools may continue to provide an excellent education for children in the city of Chicago.

Sincerely,

I offer my sincere support in recommending that Intrinsic's new proposal be approved, so that Intrinsic Schools may continue to provide an excellent education for children in the city of Chicago.

Dear President Clark, Esteemed Members of the Board, and Dr. Janice Jackson:

This letter serves as my unyielding support for Intrinsic Schools' second campus, to be located in a more central location, including a potential downtown Chicago location. Intrinsic has been serving Chicago Public School students for over 5 years now, and they have impressive results and an unwavering commitment to make Chicago a better place.

As a resident in the City of Chicago, I know firsthand the obstacles our students face daily. It is my belief that Intrinsic Schools meet students' needs, and their personalized learning model helps tap into a child's full potential, offering the education our students need.

Intrinsic Schools has a strong track record of life-changing outcomes for students' and families, and having a downtown campus will allow Intrinsic to serve students from across all of Chicago, including the children from my community whom I would encourage to apply and attend.

Estimado Presidente Clark, Miembros de la Junta, y Dr. Janice Jackson:

Esta carta sirve como mi apoyo inquebrantable para el segundo campus de las Escuelas Intrínsecas, que se ubicará en el un barrio mas centrico, incluyendo el centro de Chicago. Intrinsic ha estado sirviendo a estudiantes de las Escuelas Públicas de Chicago por más de 5 años, y tienen resultados impresionantes y un compromiso inquebrantable para hacer de Chicago un lugar mejor.

Como residente en la ciudad de Chicago, sé de primera mano los obstáculos que enfrentan nuestros estudiantes a diario. Es mi creencia que las Escuelas Intrínsecas satisfacen las necesidades de los estudiantes, y su modelo de aprendizaje personalizado ayuda a aprovechar el potencial completo de un niño, ofreciendo la educación que nuestros estudiantes necesitan.

Las Escuelas Intrínsecas tienen una sólida trayectoria de resultados que cambian la vida de los estudiantes y las familias, y tener un campus en el centro permitirá a Intrinsic atender a estudiantes de todo Chicago, incluidos los niños de mi comunidad a quienes animó a solicitar y asistir.

\*Comentario Adicional\*

Ofrezco mi apoyo sincero al recomendar que se apruebe la nueva propuesta de Intrinsic, para que las Escuelas Intrínsecas continúen brindando una excelente educación para niños en la ciudad de Chicago.

Estimado Presidente Clark, Miembros de la Junta, y Dr. Janice Jackson:

Esta carta sirve como mi apoyo inquebrantable para el segundo campus de las Escuelas Intrínsecas, que se ubicará en el un barrio mas centrico, incluyendo el centro de Chicago. Intrinsic ha estado sirviendo a estudiantes de las Escuelas Públicas de Chicago por más de 5 años, y tienen resultados impresionantes y un compromiso inquebrantable para hacer de Chicago un lugar mejor.

Como residente en la ciudad de Chicago, sé de primera mano los obstáculos que enfrentan nuestros estudiantes a diario. Es mi creencia que las Escuelas Intrínsecas satisfacen las necesidades de los estudiantes, y su modelo de aprendizaje personalizado ayuda a aprovechar el potencial completo de un niño, ofreciendo la educación que nuestros estudiantes necesitan.

Las Escuelas Intrínsecas tienen una sólida trayectoria de resultados que cambian la vida de los estudiantes y las familias, y tener un campus en el centro permitirá a Intrinsic atender a estudiantes de todo Chicago, incluidos los niños de mi comunidad a quienes animó a solicitar y asistir.

\*Comentario Adicional\*

Ofrezco mi apoyo sincero al recomendar que se apruebe la nueva propuesta de Intrinsic, para que las Escuelas Intrínsecas continúen brindando una excelente educación para niños en la ciudad de Chicago.

Dear President Clark, Esteemed Members of the Board, and Dr. Janice Jackson:

This letter serves as my unyielding support for Intrinsic Schools' second campus, to be located in a more central location, including a potential downtown Chicago location. Intrinsic has been serving Chicago Public School students for over 5 years now, and they have impressive results and an unwavering commitment to make Chicago a better place.

As a resident in the City of Chicago, I know firsthand the obstacles our students face daily. It is my belief that Intrinsic Schools meet students' needs, and their personalized learning model helps tap into a child's full potential, offering the education our students need.

Intrinsic Schools has a strong track record of life-changing outcomes for students and families, and having a downtown campus will allow Intrinsic to serve students from across all of Chicago, including the children from my community whom I would encourage to apply and attend.

\*Additional Comments\*

*We definitely need this for our PTER*

Downtown belongs to every Chicagoan, and as such, we should applaud the entire Intrinsic team for making a school available to all Chicago students, in an accessible location.

I offer my sincere support in recommending that Intrinsic's new proposal be approved, so that Intrinsic Schools may continue to provide an excellent education for children in the city of Chicago.

Sincerely,

This letter serves as my unyielding support for Intrinsic Schools' second campus, to be located in a more central location, including a potential downtown Chicago location. Intrinsic has been serving Chicago Public School students for over 5 years now, and they have impressive results and an unwavering commitment to make Chicago a better place.

As a resident in the City of Chicago, I know firsthand the obstacles our students face daily. It is my belief that Intrinsic Schools meet students' needs, and their personalized learning model helps tap into a child's full potential, offering the education our students need.

Intrinsic Schools has a strong track record of life-changing outcomes for students and families, and having a downtown campus will allow Intrinsic to serve students from across all of Chicago, including the children from my community whom I would encourage to apply and attend.

\*Additional Comments\*

Downtown belongs to every Chicagoan, and as such, we should applaud the entire Intrinsic team for making a school available to all Chicago students, in an accessible location.

I offer my sincere support in recommending that Intrinsic's new proposal be approved, so that Intrinsic Schools may continue to provide an excellent education for children in the city of Chicago.

Estimado Presidente Clark, Miembros de la Junta, y Dr. Janice Jackson:

Esta carta sirve como mi apoyo inquebrantable para el segundo campus de las Escuelas Intrínsecas, que se ubicará en el un barrio mas centrico, incluyendo el centro de Chicago. Intrinsic ha estado sirviendo a estudiantes de las Escuelas Públicas de Chicago por más de 5 años, y tienen resultados impresionantes y un compromiso inquebrantable para hacer de Chicago un lugar mejor.

Como residente en la ciudad de Chicago, sé de primera mano los obstáculos que enfrentan nuestros estudiantes a diario. Es mi creencia que las Escuelas Intrínsecas satisfacen las necesidades de los estudiantes, y su modelo de aprendizaje personalizado ayuda a aprovechar el potencial completo de un niño, ofreciendo la educación que nuestros estudiantes necesitan.

Las Escuelas Intrínsecas tienen una sólida trayectoria de resultados que cambian la vida de los estudiantes y las familias, y tener un campus en el centro permitirá a Intrinsic atender a estudiantes de todo Chicago, incluidos los niños de mi comunidad a quienes animó a solicitar y asistir.

\*Comentario Adicional\*

Ofrezco mi apoyo sincero al recomendar que se apruebe la nueva propuesta de Intrinsic, para que las Escuelas Intrínsecas continúen brindando una excelente educación para niños en la ciudad de Chicago.

Sinceramente,

Firma
