

ADA REPORT

This report is to be completed by a building professional and signed below by a representative of your school with the authority to commit to any necessary building and policy remediation.

I have read the below report and commit to the remediation plan described in Section VII.

Signature: _____

Date: _____

Name (printed): Melissa Zaikos

School/Organization: Intrinsic Schools

Title: CEO

Instructions:

1. Please fill out a separate ADA Report for each of the following:
 - Your proposed facility;
 - Your back-up facility; and
 - Any temporary facility you contemplate using if your facility is not ready in time for your school's opening.
2. Answer the questions in Sections I-VII with regard to the *current state of the facility, regardless of any plans you may have to renovate it*; detail any planned renovations in Section VIII. Note in that section the details of any spaces for which you intend to change the use (e.g., converting a storage area into a lunchroom).
3. Survey each building for compliance with the 2010 ADA Standards for Accessible Design, 28 C.F.R. Pt. 36, Subpart D (2010) & 36 CFR pt. 1191, App. B & D. (2009) (available at www.ada.gov) which are strictly required in new construction and alterations and are used as a guide in pre-existing, unaltered buildings/spaces.
4. You or your building professional should survey each building feature listed below for each standard listed parenthetically after. Small deviations from ADA standards can amount to total exclusion from a facility for some persons with disabilities, and visual surveys alone, without careful measurements, will not be sufficient to detect these often critical deviations. Please note that the below-cited standards are not necessarily all of the standards applicable to the particular feature or to your building.
5. City permits or Certificates of Occupancy do not demonstrate or ensure ADA compliance.
6. CPS will provide assistance in completing this Report upon request. Please contact Eben Smith of CPS, at esmith78@cps.edu to submit a request or if you have any questions about this Report.
