

PETITION AND INTENT TO ENROLL

As a member of the community where Moving Everest School intends to open a public charter school, I am signing this petition to affirm that I have read Moving Everest's mission and agree that there is an urgent need for this school in our community and would like to see Moving Everest open a public charter school in the fall of 2019.

Mission: The mission of Moving Everest Charter School is to create a school that dramatically transforms the lives of K-8 students and prepares them for success in college and in life through: the delivery of a rigorous and personalized academic program, a focus on holistic education and the development of strong character.

Core Principles:

- Student-centered, personalized learning
- Culture of high expectations
- Self-pacing and mastery-based instruction
- Blended instructional model
- Data-driven instruction
- Student-ownership
- Focus on reading
- Character development
- Social and emotional needs
- Partnership with an afterschool provider

Core Principles:

- Student-centered, personalized learning
- Culture of high expectations
- Self-pacing and mastery-based instruction
- Blended instructional model
- Data-driven instruction
- Student-ownership
- Focus on reading
- Character development
- Social and emotional needs
- Partnership with an afterschool provider

PETITION AND INTENT TO ENROLL

As a member of the community where Moving Everest School intends to open a public charter school, I am signing this petition to affirm that I have read Moving Everest's mission and agree that there is an urgent need for this school in our community and would like to see Moving Everest open a public charter school in the fall of 2019.

Mission: The mission of Moving Everest Charter School is to create a school that dramatically transforms the lives of K-8 students and prepares them for success in college and in life through: the delivery of a rigorous and personalized academic program, a focus on holistic education and the development of strong character.

Core Principles:

- Student-centered, personalized learning
- Culture of high expectations
- Self-pacing and mastery-based instruction
- Blended instructional model
- Data-driven instruction
- Student-ownership
- Focus on reading
- Character development
- Social and emotional needs
- Partnership with an afterschool provider
