great support system.

I believe that the expansion of the school will have
a positive impact on the community

because it gives kids and parents
a better opportunity. they work
well with the children. their after school
program is a plus for the children.
To attend this school it barely
cost for children. It's a excellent
school and we need more like
them so our kids can earn a better

personally been impacted by Moving Everest:

My child loves coming to school
he learns so much for as his
reading and math and Etc...
He also goes to the by the hand
program as well. Been going there
for three years now and all he
talks about is the Chapel and how
much he loves it.
I believe that the expansion of the school will have
a positive impact on the community
because Its very quiet the kids
learn so much. Its in a nice
good community area. My son
gets to meet new friends
everyday and he also talks
about how much he loves his
teachers. So moving Everest is
the best positive impact on the
community.
Thank you for providing this opportunity for my
family and I'm excited for more families to make
