Dear Office of Innovation and Incubation
At Chicago Public Schools,

My name is Chakiah Perkins and I am currently a member of the Moving Everest School Community. I am passionate about the expansion of Moving Everest because of their mission, vision and the educational opportunities available for students. This is how I have personally been impacted by Moving Everest:

My child Anari Williams have learned alot going to moving everest. She is currently in second grade but reading at a third grade level. She has been exposed to technology that will help her through her education journey.

I believe that the expansion of the school will have a positive impact on the community because:

The school teachers and staff have a passion to teach children. I believe having teachers that are passionate about teaching students gives the children a learning advantage. The teachers and school staff work with parents to reach academic goals set with for the students. The positivity that is genuinely displayed in this school is valued in our community.

Thank you for providing this opportunity for my family and I'm excited for more families to make the choice of Moving Everest for their family.

Sincerely,

Chakiah Perkins 600 N. Leclaire Chicago IL 60644
