

As a member of the community where Moving Everest School intends to open a public charter school, I am signing this petition to affirm that I have read Moving Everest's mission and agree that there is an urgent need for this school in our community and would like to see Moving Everest open a public charter school in the fall of 2019.

Mission: The mission of Moving Everest Charter School is to create a school that dramatically transforms the lives of K-8 students and prepares them for success in college and in life through: the delivery of a rigorous and personalized academic program, a focus on holistic education and the development of strong character.

Core Principles:

- Student-centered, personalized learning
- Culture of high expectations
- Self-pacing and mastery-based instruction
- Blended instructional model
- Data-driven instruction
- Student-ownership
- Focus on reading
- Character development
- Social and emotional needs
- Partnership with an afterschool provider

ENROLLMENT

This form shows interest in having your child attend Moving Everest School. We are planning to open in the fall of 2019 for Kindergarten and 1st grade. Completing this form does not require your child to attend Moving Everest. The form also does not guarantee admission. Upon approval of the school, we will contact you to begin an application process.

Second Child's information: [Redacted]

PETITION AND INTENT TO ENROLL

As a member of the community where Moving Everest School intends to open a public charter school, I am signing this petition to affirm that I have read Moving Everest's mission and agree that there is an urgent need for this school in our community and would like to see Moving Everest open a public charter school in the fall of 2019.

Mission: The mission of Moving Everest Charter School is to create a school that dramatically transforms the lives of K-8 students and prepares them for success in college and in life through: the delivery of a rigorous and personalized academic program, a focus on holistic education and the development of strong character.

Core Principles:

- Student-centered, personalized learning
- Culture of high expectations
- Self-pacing and mastery-based instruction
- Blended instructional model
- Data-driven instruction
- Student-ownership
- Focus on reading
- Character development
- Social and emotional needs
- Partnership with an afterschool provider
