Data Quality Index score

99.4% success

For more information...

The School Quality Rating Policy (SQR) is the district's policy for evaluating each school's academic performance each year. The rating on this report is based on how the school performed in the 2013-2014 school year, and it is used to determine the school's accountability status for the 2014-2015 school year. You can find more information about the SQR at <http://www.cps.edu/sqr>.
