School Quality Rating
This school received a Level 1+ rating based on the CPS School Quality Rating Policy (SQRP). More information about what this rating means and how it is calculated is available at cps.edu/sqrp.

Accountability Status: Not Applicable
This school does not receive an official accountability status because its performance measures are determined by its contract with the Chicago Board of Education.

Student Growth

ABOVE AVERAGE

Student Growth measures the change in STAR test scores between two points in time: either fall to spring, winter to spring, or fall to winter depending on available test scores. The growth at this school is above average, which means the students at this school generally showed higher growth than students nationally with the same pretest scores.

Students Making Growth Targets

FAR ABOVE AVERAGE

Students Making Growth Targets is the percent of students who reached the 40th percentile growth on STAR. This school has a very high number of students reaching this level of growth.

School Culture & Climate

NOT ENOUGH DATA

This school does not have enough data for a report. This may be because not enough teachers and students responded or because there are too few teachers or students in the school and thus we won't generate a report to protect their privacy. Results from the My Voice, My School 5Essentials surveys of students and teachers provide valuable information about a school's culture and climate.
