SCHOOL SEGMENT REPORT

The school segment report was designed as a way to review individual school operating budgets as categorized by educational program and grouped by instructional, administrative, support service and facilities costs as described below. The report reflects resources allocated directly in the schools' budgets and also projects the resources budgeted at the central office and city-wide level that are used to support the programs, activities and personnel of the individual schools.

Each school's segment report is available on the CD distributed with this book. The objective of the report is to present school budgets in a transparent and relevant manner. We anticipate using the lessons learned from its on-going development as a guide for further improvements to the transparent allocation and presentation of school resources.

School Segment Report

The rows in the school segment report are categorized by account as follows:

Instruction

The budgeted costs in the Instruction segment of the report reflect the resources allocated for direct instructional and classroom purposes at the schools. This includes the salaries and benefits of teachers, teaching assistant principals, instructional assistants and aides. Also included are the non-personnel related costs to support instruction such as textbooks, supplies, educational services, etc. The line labeled Allocation of CW Programs includes the projected cost of the instructional programs budgeted at the city-wide level that will be used to support the related instructional programs at the school.

Administration

This section includes costs associated with the administration of the school. This includes the salaries and benefits of principals, assistant principals and clerical support staff as well as non-personnel costs associated with school office/clerical support. The line labeled Allocation of CO Support Services includes the estimated cost of central office administration to support the school's programs, personnel and administrative needs and processes.

Support Services

The section includes the budgeted costs at the school for security services, food and nutrition services, transportation services and special education support services. The line labeled Allocation of CW Support Services includes the projected cost of the security, food, transportation and special education support services budgeted at the city-wide level that will be used to support related services and programs at the school during the year.

Facility Support

This section includes the costs associated with the maintenance of the school's facilities such as engineers, custodial workers, repairs, supplies and other building maintenance needs. The line labeled Allocation of CW Facility Support includes the projected cost of the facility support services budgeted at the city-wide level that will be used to support related services at the school during the year.
