

Douglass Middle Academy

Project Summary

Project Type: Boiler/Mechanical System Renovation
 Department: Facilities
 Status: Planning
 Unit Number: 41061

Budget Amount: \$8,000,000
 Budget Year: 2016
 Estimated Project Start: July 2015
 Estimated Project Complete: June 2017

This school has been prioritized to receive a mechanical system/boiler renovation. The project will address boiler or mechanical systems which lack controls, are deteriorated to the point of failing or have leaking deteriorated piping which results in the inability to consistently provide heat to all spaces in the facility.
